Form 990, Part VI, Section B, Line 15-		Rady Children's Hospital - San Diego working through the Board Compensation Committee has a process for establishing, reviewing and approving compensation of officers and key employees of the organization on a no less than an annual basis. The Compensation Committee is comprised of independent, lay members of the Board of Trustees. Prior to conducting its review, the Chair of the Compensation Committee determines whether any member has a conflict of interest with respect to the matter(s) under review. If there is a conflict, the conflicted member recuses himself/herself and is not present during discussion or vote on the arrangement under review. In determining and approving the compensation arrangement, the Committee considers all components of compensation. It considers comparability data and retained an independent compensation consultant to provide comparability data to the committee. Total compensation is targeted to be between the 50th and 75th percentiles of the comparability data. The Committee's deliberations and decisions are documented in minutes that are reviewed at its next meeting. The Committee's written records include the (1) terms of the arrangement with the disqualified person (including the date the arrangement was approved), (2) a list of members present during the discussion of the transaction (and how the members voted when it was approved), and (3) a description of the comparable data relied on by the Committee.
