Pt II Line 17a: The Foundation has an on-going program for requesting donations by attending
open houses at the various school buildings to solicit members and
donations, by publishing an annual report that includes a letter
from the president requesting donations and/or interested new
members, and by putting articles in the local newspapers describing
the programs they are currently funding at the schools.
The interest and dividends they receive each year (52% of support
over the past 5 years) is received from monies invested that were
received from donation solicitations over the past 25 years. There
were annual phone solicitations and mailings to the community
requesting donations. Monies raised were invested with the hope
of achieving a level of investment income where the annual fund
raising would not have to be so time-consuming.
The members of the Foundation are all parents, teachers, or
of the local public school system. The executive board consists
of 15 members who are elected to their positions by the membership.
All monies are used to fund "new and innovative" programs
at the 4 school buildings within the school district.
The foundation is run by persons dedicated to the success
of the local schools and is constantly looking for individuals
willing to invest their time and talents in furthering the
goals of the Foundation.
