--------------------------------------	--

Identifier	Return Reference	Explanation
	Form 990, Page 2, Part III, Line 4c	Over 1,000 clients were served by the Homeless Outreach Program during the fiscal period. Of those, 65 received 247 nights of emergency housing, 222 received some other direct assistance in the form of bus passes, food vouchers, personal hygiene packets, clothing, household goods or mattresses, 31 were assisted with applications processed through Ohio Benefit Bank for various assistance programs for persons with certified disabilities. ICAN is a member of the Stark County Homeless Collaborative that holds several events that educate clients and the community on services available, completes the annual homeless count in January for HUD, and sets strategy in addressing the county housing needs for homeless individuals.

Identifier	Return Reference	Explanation
	Form 990, Page 2, Part III, Line 4b	The Program administrators and housing specialists work directly with clients, such as helping clients find appropriate housing, inspect units to ensure they meet housing standards, assist clients with establishing goals to gain further independence, gain food stamps and other community services. ICAN program staff and outside agencies collaborate to provide these services. During the fiscal period, ICAN received \$25,841 of in-kind services.

Identifier	Return Reference	Explanation
	Form 990, Page 2, Part III, line 4a	Many of these individuals have "burned bridges" with landlords and shelters, and ICAN's safe haven housing often times serves as "last resort" housing. Safe Havens are meant to be transitional, the hope is for the individual to stabilize, and move on to more independent living arrangements. The typical client served by ICAN's Housing program is an individual who was homeless at the time he entered ICAN housing, and has been diagnosed with a major mental illness. Eligibility is dependent on income level (below 35% of average median income) and history of homelessness. Numerous units have rental subsidies, with residents paying a portion of their income toward the controlled fair market rent (no more than 40%, including utilities). During the fiscal period, 128 formerly homeless individuals were housed in ICAN properties, totaling 34,744 days. The tenants have been in their units for an average of 2.5 years. The personnel responsible for the management of the property guide clients through the leasing process, the maintenance staff have the range of skills to make most repairs and make certain our units meet safety and quality standards. ICAN's Housing Support Specialists assist ICAN tenants to follow lease obligations and learn good neighboring skills. They help residents make the difficult transition from street survival to becoming productive citizens through a combination of scheduled trainings, tenant association meetings, and personal home visits. Almost 200 residents received personal visits, over 1700 hours were spent engaging residents directly. Since 2011, ICAN has a task force that focuses on the affordable housing needs specifically for veterans. This initiative resulted in the Agency being deeded five newly renovated homes that were targeted in neighborhoods with above average foreclosure rates, designed to provide affordable housing for veteran families that fall below 80% adjusted median income, by Stark County development dept.

Identifier	Return Reference	Explanation
