Statement 12

Part VII-B, Question 5a(4)

Valley CAN's 60-month termination period as a private foundation under Section 507(b)(1)(B) of the Internal Revenue Code (the "Code") began on November 1, 2009. Valley CAN expects to qualify as a public charity under Sections 509(a)(1) and 170(b)(1)(a)(vi) of the Code at the end of this period, as a result of which it will be deemed to have been a public charity during its year ending 6/30/13. Accordingly, pursuant to Code Section 507(b)(1)(B), the expenditure responsibility requirements of Chapter 42 of the Code do not apply to Valley CAN for the year ended 6/30/13.

Although Valley CAN was not required to exercise expenditure responsibility over its grants in fiscal year ended 6/30/13 to organizations that were not public charities, it did require prospective grantees to submit applications, and it issued the grants pursuant to agreements that specified the purposes of the grants and required grantees to submit written descriptions of the status of their projects with detailed financial statements demonstrating their use of Valley CAN's funding. (Each grantee was required to submit periodic reports every three months during the term of its grant as a well as a final report at the end of the grant period.)
