Conflict of Interest Policy	Form 990 Part VI Section B Line 12	Our conflict of interest policy requires all covered persons to annually review the policy and then complete, sign and return the Conflicts of Interest Survey and Attestation to the Compliance Office. The policy requires an on-going disclosure obligation in the event a conflict arises during the year. The following is our process to regularly and consistently monitor and enforce the policy: Compliance identifies all covered persons who must complete the Survey and Attestation. Compliance verifies that the Survey and Attestation is distributed to these persons. Compliance verifies that these persons return a fully completed and signed Survey and Attestation. Compliance reviews each completed and signed Survey and Attestation to identify all conflicts listed in the document. All conflicts, potential conflicts and incidences of non-compliance are referred to the Chief Compliance Officer. The CCO takes appropriate action to completely resolve all identified conflicts and incidences of non-compliance.

Process for Determining Executive Compensation	Form 990 Part VI Section B Line 15A & B	Wellstar engages the Hay Group to work with the governing board to review and recommend executive compensation. The executive compensation process at Wellstar is overseen by a committee of independent trustees, which follows a board-approved executive compensation philosophy. The Executive Compensation Committee consists of five trustees and the CEO. In committee discussions about the compensation for the Chief Executive Officer, the CEO will recuse himself from that process but is a non-voting committee member for discussions on all other officers. The executive compensation philosophy empowers the committee to oversee the executive compensation process and administer the executive compensation program on behalf of the full board of trustee of Wellstar, provided, however, the full Board of Trustees evaluates and approves the compensation of the Chief Executive Officer. The philosophy requires annual disclosure of the committee's actions and decisions to the full board, which it has done. The committee is guided by the board-approved philosophy. Overall, the philosophy is intended to reward for organizational and individual performance. When performance is at a predetermined targeted level, the compensation is intended to be at or around the median of compensation paid to similar positions at similar organizations (the "market"). Wellstar's executive compensation philosophy defines the market as being comprised of comparable not-for-profit health care delivery systems, i.e., not-for-profit organizations similar in complexity and scale to Wellstar. To assist the committee in fulfilling its duties, the committee engaged the Hay Group to provide market compensation data to compare to the Wellstar positions whose compensation the committee oversees. The committee uses this data to provide context when making decisions in administering the compensation program. Accurate minutes of the committee's discussion and decisions are recorded during each committee meeting, and reviewed and approved at the following committee meeting.
