Values for fixed income securities have been adjusted for amortization/accretion, with the exception of variable rate and mortgage-backed securities or for accounts with this preference turned off.

Total Cash represents income and expenses as they occur. It may be inconsistent with values shown elsewhere on Schwab.com and on your monthly account statement.

The Realized Gain/Loss page provides summary information of closed transactions. Not all closed transactions appear on this page.

Please view the Cost Basis Disclosure Statement for additional information on cost basis methods choices and how Schwab reports adjusted cost basis information to the IRS.

Please note that gains and losses realized in retirement accounts are not recognized for tax purposes. Rather, income may be recognized when you receive a cash distribution from these accounts. Please contact your tax advisor for further information.

The total Realized Gain/Loss for this account includes values for Short Positions held in the account. For more information on summary totals when there are Short Positions, please see the Help Section.
