X	2	Accounting principles generally accepted in the United States of America require the College's management to evaluate tax positions taken by the College and to recognize a tax liability or asset if the College has taken an uncertain tax position that will more-likely-than-not be sustained upon examination by taxing authorities. Management has analyzed the tax position taken by the College for the year ended June 30, 2013 and believes that there are no such positions as of June 30, 2013. Accordingly, no liability has been accrued. The College is subject to routine audits by taxing jurisdictions; however, there are currently no audits of any tax periods in progress.
