position will more-likely-than-not be sustained upon examination by taxing authorities. The Association has analyzed tax positions taken for filing with the Internal Revenue Service and all state jurisdictions where it operates. The Association believes that income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse affect on the Association's financial condition, results of operations or cash flows. Accordingly, the Association has not recorded any reserves, or related accruals for interest and penalties for uncertain income tax positions at June 30, 2013. The Association is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
