Supported and encouraged health care and related services through providing strategic planning, oversight, management, supervision, administrative services and other essential functions to Section 501(c)(3) supported organizations within an integrated health care delivery system.

Community Health Systems, Inc., as the Section 509(a)(3) supporting organization and parent entity of an integrated health care delivery system, has adopted guiding policies and procedures regarding community benefit for each of its supported organizations. As part of the strategic planning it provides to its supported organizations, Community Health Systems, Inc. continues to assess and develop programs to help its supported organizations provide benefit to their communities. case by virtue of their respective service as directors or officers, as applicable, in both the Organization and Community Health Ventures, Inc.

Form 990, Part VI, Line 11b - Form 990 Review Process

This process involves the electronic posting of the draft Form 990 with all its schedules for the Organization's board of directors to review followed, after a sufficient review period, by a meeting of the board at which board members will have the opportunity to ask questions of management and the outside tax advisors involved in the preparation of the Form 990

Form 990, Part VI, Line 12c - Explanation of Monitoring and Enforcement of Conflicts

The organization regularly and consistently monitors and enforces compliance with its conflicts of interest policy. Such compliance is effectuated through the Organization's board of directors' review of annual conflict disclosure statements from the directors as well as receipt and review of conflict disclosure statements with respect to certain proposed transactions or arrangements the Organization is considering prior to any board action with respect to such matters. The conflicts policy outlines the specific procedure to be followed to determine whether interested persons have actual conflicts of interest. If it is determined that a board member has an actual conflict of interest, then such board member is not allowed to participate in the board deliberations on the specific matter and is excused from, and is not allowed to participate in any board vote on the matter.

Form 990, Part VI, Line 15b - Compensation Review & Approval Process - Officers & Key Employees

The Organization regularly and consistently complies with the compensation approval process which is part of its conflicts of interest policy. Every two to three years, on average, the Organization participates in a comprehensive process conducted on its behalf by the compensation committee of the board of directors of Community Health Systems, Inc., its sole member and parent of the integrated health

care delivery system in which the Organization is a member. This process involves review of comparability data compiled by an independent third-party compensation consultant. Comparability data is gathered for the Organization's senior management, and on occasion, key or highly compensated employees, and, based on the same, the consultant issues a written report reflecting the consultant's opinion concerning whether the proposed compensation arrangements constitute reasonable compensation under Section 4958 of the Code. This process is conducted by the compensation committee, which then makes recommendations to the board of directors. The board of directors is also provided with materials regarding the compensation review, including copies of the consultant's report. The board then votes as to the reasonableness of each of the individual compensation arrangements (if any disqualified or otherwise conflicted individuals are present at the meeting, they do not participate in the deliberations and are excused from the room during the vote).

The process is designed and carried out by the board of directors in a manner designed to satisfy all three of the requirements necessary to establish the rebuttable presumption of reasonableness with respect to compensation arrangements for disqualified persons under Section 53.4958-6 of the Regulations. As part of this process, outside counsel is retained to further advise the board on the rebuttable presumption process and to provide the board with a legal opinion regarding the same. As a final step, each part of the process required to establish the rebuttable presumption is documented using the Rebuttable Presumption Checklist released by the IRS.
