	Part I, Line 1a	Discretionary spending account-The organization provides eligible employees who travel frequently in their personal vehicle an auto expense allowance in lieu of reimbursement for business mileage under the organization's business travel and expense reimbursement policy. All auto expense allowances are treated as taxable compensation. One person listed in the Form 990, Part VII, Section A, received this benefit during the tax year.
	Part I, Line 1a	Health or social club dues or initiation fees-The organization may reimburse eligible employees for dues for a health club and/or a social club where there is a bona fide business need for the membership. For example, as part of the organization's promotion of health, the organization will cover a portion of any employees' fitness center club membership dues paid to an affiliated entity that owns and operates a fitness center. All employees are eligible for this benefit. Such reimbursements are treated as taxable compensation to the extent any part of the membership is used for personal use. Five of the persons listed in the Form 990, Part VII, Section A, received this benefit during the tax year.
	Part I, Line 4b	In order to recruit and retain key talent, BHCS offers a supplemental non qualified retirement plan to eligible employees. The plan provides an annual benefit (based on a percentage of compensation) to the employee that is paid to the employee on a future date upon vesting in the plan. The following individual(s) participated in and/or received payments (noted in parenthesis) from BHCS' supplemental non qualified retirement plan during the tax year: Rowland Robinson (\$39,514), Joel Allison (\$147,694) and William Boyd (\$253,486). Also, select certain officers, as designated by BHCS's governing body, are eligible to participate in a Long Term Incentive Plan that is designed to recognize the key senior leaders' value and contribution to BHCS as well as align their compensation to the long term strategy of BHCS. Performance targets are based upon a percentage of the participant's base salary and are developed by independent third party expert(s) using market competitive data within the guides of reasonableness. The plan is based on BHCS's three-year performance against its peers, determined based on peer rankings or percentile rankings in quality, patient satisfaction and financial performance. At the end of three years, awards are determined by BHCS's governing body for participants. Payouts are partially made in cash and the remainder vests over an additional two year period. The following individual(s) participated in and/or received payments (noted in parenthesis) from this plan during the tax year: Joel Allison (\$461,395), Rowland Robinson (\$51,691) and William Boyd (\$214,839).

Payout targets are based upon a percentage of base pay and are developed by independent third party expert(s) using comparable market competitive data within the bounds of reasonableness and that are reviewed and approved by BHCS's governing body. Payout levels are based upon a combination of system, entity, and individual performance using various metrics related to quality, patient satisfaction, employee retention, and financial stewardship. BHCS's governing body may approve modifications to annual incentive awards provided under the program consistent with market comparability data.
Supplemental Information	Part III	Supplemental Information: Governing Body Compensation.
