## INDEPENDENT AUDITORS' REPORT

Board of Directors  
Big Horn Hospital Association  
Hardin, Montana

### **Report on the Financial Statements**

We have audited the accompanying financial statements of Big Horn Hospital Association, which comprise the statements of net position as of June 30, 2013 and 2012, and the related statements of revenues, expenses, and changes in net position, and cash flows for the years then ended, and the related notes to the financial statements

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error

### ***Auditors' Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of Big Horn Hospital Association as of June 30, 2013 and 2012, and the respective changes in its financial position and its cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America

***Other Matters***

***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 3 through 8 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated March 4, 2014 on our consideration of Big Horn Hospital Association's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the result of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Big Horn Hospital Association's internal control over financial reporting and compliance.

**BIG HORN HOSPITAL ASSOCIATION  
HARDIN, MONTANA  
MANAGEMENT'S DISCUSSION AND ANALYSIS  
YEARS ENDED JUNE 30, 2013 AND 2012**

**Introduction**

Big Horn Hospital Association, (the Hospital) offers readers of our financial statements this narrative overview and analysis of the financial activities of the Hospital for the fiscal years ended June 30, 2013 and 2012. We encourage readers to consider the information presented here in conjunction with the Hospital's financial statements, including the notes thereto.

**Overview of the Financial Statements**

This discussion and analysis is intended to serve as an introduction to the Hospital's audited financial statements. The financial statements are composed of the statement of net position, statement of net revenues, expenses, and changes in net position, and the statement of cash flows. The financial statements also include notes to the financial statements that explain in more detail some of the information in the financial statements. The financial statements are designed to provide readers with a broad overview of the Hospital finances.

**Required Financial Statements**

The Hospital's financial statements report information about the Hospital using accounting methods similar to those used by private sector healthcare organizations. These statements offer short- and long-term information about its activities. The statement of net position includes all of the Hospital's assets and liabilities and provides information about the nature and amounts of investments in resources (assets) and the obligations to the Hospital's creditors (liabilities). The statement of net position also provides the basis for evaluating the capital structure of the Hospital and assessing the liquidity and financial flexibility of the organization.

All of the current year's revenues and expenses are accounted for in the statement of net revenues, expenses, and changes in net position. This statement measures the financial success of the Hospital's operations over the past two years and can be used to determine whether the Hospital has successfully recovered all of its costs through its patient service revenue and other revenue sources. Revenues and expenses are reported on an accrual basis, which means the related cash could be received or paid in a subsequent period.

The final required statement is the statement of cash flows. The statement reports cash receipts, cash payments and net changes in cash resulting from operations, investing and financing activities. It also provides answers to such questions as where did cash come from, what was cash used for, and what was the change in cash balance during the reporting period.

**Financial Highlights**

Total assets increased in FY2013 by \$2,136,679 from FY2012 and decreased \$408,779 from FY2011 to FY2012. The increase in the current year is primarily driven by increases to accounts receivable and capital assets.

The Hospital's operating margin has fluctuated in the past three fiscal years. The operating margin is as follows for the past three years: FY2011 1.65%, FY2012 -1.12% and FY2013 -0.38%. The net margin has also fluctuated over the same time frame. The net margin went from 3.55% in FY2011, decreasing to -0.66% in FY2012 and then increasing to 1.33% in FY2013.

YEARS ENDED JUNE 30, 2013 AND 2012**

**Financial Analysis of the Hospital**

The statement of net position and the statement of net revenues, expenses, and changes in net position report the net position of the Hospital and the changes in them. The Hospital's net position - the difference between assets and liabilities - is a way to measure financial health or financial position. Over time, sustained increases or decreases in the Hospital's net position are one indicator of whether its financial health is improving or deteriorating. However, other non-financial factors such as changes in economic conditions, population growth and new or changed governmental legislation should also be considered.

**Net Position**

A summary of the Hospital's statements of net position at June 30, 2013, 2012 and 2011 is presented below.

**Operating and Financial Performance**

The following information summarizes the Hospital's statements of net revenue, expenses, and changes in net position between June 30, 2013 and 2012 and 2011

**Volume:** Inpatient admissions increased by 4% (14 admits) in FY2013 following an increase of 13% (36 admits) from FY2011 to FY2012. Inpatient admissions (including Newborn admissions) for the past three fiscal years are as follows: FY2011 (277), FY2012 (313) and FY2013 (327). Swing Bed admissions have increased significantly in FY2013 (43 admits) from FY2012 after a slight decrease (5 admits) from FY2011 to FY2012. Swing Bed admissions for the past three fiscal years are as follows: FY2011 (68) to FY2012 (63) to FY2013 (106).

YEARS ENDED JUNE 30, 2013 AND 2012**

**Volume (Continued):** Inpatient days increased by 13% (111 days) in FY2013 following an increase in FY2012 of 6% (42 days). The days for the last three fiscal years are as follows: FY2011 (683 days), FY2012 (725 days) and FY2013 (836 days). Swing Bed days have decreased in FY2013 after a slight increase in FY2012. Swing Bed days are down 621 days (13%) from FY2012 and down 602 days (14%) from FY2011. The swing beds days are as follows, FY2011 (4,557 days), FY2012 (4,576 days) and FY2013 (3,955 days). While on the surface the decreasing numbers look poor, BHHA has been focusing on Swing Bed rehabilitation patients vs long-term care patients. Long-term care patients generate more days, but rehabilitation patients are the true focus of the Swing Bed department.

Emergency room visits increased slightly in FY2013 at 4,362 visits. The ER visits for the last three fiscal years are as follows: FY2011 (4,280 visits), FY2012 (4,280 visits) and FY2013 (4,362 visits). Total outpatient visits continued to increase in FY2013 to 8,298 visits, up 3% from the 8,040 outpatient visits in FY2012 and up 9% from the 7,550 in FY2011. A large portion of this outpatient visit increase is due to continued growth in the usage of the CT Scanner and MRI services as well as increased volume in reference labs.

Surgeries decreased in FY2013 to 149 surgeries. This is down from 166 surgeries in FY2012 (11% decrease) and up from 144 surgeries in FY2011 (3% increase).

Total observation days have increased slightly in FY2013 to 149 days. This is a 11% increase (17 days) from FY2012 and a 55% (55 days) increase from FY2011. Total observation days for the past three fiscal years are as follows: FY2013 (149 days), FY2012 (132 days) and FY2011 (94 days).

Long-term care (Heritage Acres) days decreased in FY2013 to 11,304. The days have decreased 11% (1,396 days) from FY2012 days of 12,693 and 10.5% (1,345 days) from the FY2011 days of 12,649. Occupancy has decreased from 96% in FY2011 and 97% in FY2012 to 86% in FY2012.

**Net Patient and Resident Service Revenue:** Net patient and resident service revenue has continued to rise in the past three fiscal years. The net revenue has increased by \$2,119,005 since FY2011. This is due to several factors including rate increases (a maximum of 10% each year) and the increased utilization of outpatient services and swing bed visits.

**Salaries and Wages:** Salaries and wages increased by \$357,199 in FY2013 compared to increases of \$565,121 and \$464,630 in FY2012 and FY2011, respectively. Even though the salary dollars have continued to increase, the portion of total operating expenses that salaries make up has remained fairly consistent and have declined over the past three fiscal years. The percentage of salaries within total operating expenses is as follows: FY2011 (53%), FY2012 (52%) and FY2013 (50%). The increases in FY2013 are just due to standard wage increases and market adjustments. The Hospital is also in a competitive wage market and utilizes the MHA salary survey to ensure a competitive wage.

HARDIN, MONTANA  
MANAGEMENT'S DISCUSSION AND ANALYSIS  
YEARS ENDED JUNE 30, 2013 AND 2012**

**Employee Benefits:** Employee benefits expense has decreased by \$4,004 in FY2013 compared to an increase of \$280,531 and an decrease of \$43,663 in FY2012 and FY2011, respectively. The cost of employee benefits has decreased to 10% of the total operating expenses in FY2013 from 11% in FY2012 and 10% in FY2011.

The Hospital continues to pay two thirds of the premium for all categories of the employee's health and dental insurance. This has cost the Hospital the following amounts: FY2011 \$549,961, FY2012 \$581,308 and FY2013 \$674,070. The cost the Hospital paid in FY2013 increased \$92,762 from FY2012. This increase is due to continued increases in health insurance premiums for calendar year 2013 as well as the Hospital continuing to add more employees that receive benefits compared to more temporary employees in prior years.

The Hospital also contributes to each participating employee's retirement. Employees who have met the requirements of 1,000 hours worked and are still employed on December 31st of each calendar year will receive a full matching contribution of the lesser of 3.5% of the employee's compensation or an amount equal to the employee's contribution, not to exceed \$2,500. The Hospital has contributed the following amounts, \$89,082 (FY2011), \$95,885 (FY2012) and \$84,399 (FY2013).

**Supplies and Other:** Supply expenses increased by \$174,769 in FY2013, \$28,447 in FY2012 and \$120,013 in FY2011. The increase is due to increased utilization and the increase in the cost of the supplies themselves.

**Nonoperating Revenues and Other Changes in Net Position:** Nonoperating revenue and other changes in net position come from several different areas within the Hospital. These areas include the Foundation, Big Horn County Memorial Hospital Auxiliary, Heritage Acres Auxiliary, investment income and the lease of a building to the Hardin Clinic. Nonoperating revenue and other changes in net position has varied in the past three fiscal years. Nonoperating revenue and other changes in net position were \$1,149,012 in FY2011, \$309,319 in FY2012 and \$874,072 in FY2013.

**Capital Assets**

During FY2013, FY2012 and FY2011, the Hospital invested \$1,596,716, \$197,405 and \$1,403,353, respectively, in capital assets. The capital assets have been upgrades and/or equipment purchases funded primarily through grants and contributions.

**Long-Term Debt**

At the end of FY2011, FY2012 and FY2012, the Hospital had \$1,904,054, \$1,911,631 and \$1,664,197 outstanding in long-term debt, respectively. Much of this long-term debt is from the 1998A Series MT Health Facility Authority Bond in the amount of \$1,425,000 that was issued on February 1, 1998. This bond was issued to build the Hardin Clinic which the Hospital leases to St Vincent's Healthcare for a physician practice. In FY2012 the long-term debt decreased by \$7,577 due to principal payments during the year, offset by the addition of a capital lease for CT equipment. In FY2013 the long-term debt decreased by \$247,434 due to principal payments during the year, offset by the addition of a \$200,000 note payable for a generator project at the Hospital.

**BIG HORN HOSPITAL ASSOCIATION  
HARDIN, MONTANA  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2013 AND 2012**

**NOTE 1    NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING  
POLICIES**

**Nature of Organization and Reporting Entities**

Big Horn Hospital Association (Hospital) is a Montana non-profit organization which is considered a political subdivision of Big Horn County and is exempt from federal taxes under Section 501(c)(3) of the Internal Revenue Code. The Hospital consists of Big Horn County Memorial Hospital and Nursing Home and Heritage Acres. The financial statements also include data of Big Horn County Memorial Hospital and Health Care Foundation (Foundation), Big Horn Hospital Auxiliary and Heritage Acres Auxiliary, separate legal entities which are blended component units in the financial statements. The foundation and auxiliaries are organized as Montana nonprofit corporations, exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code.

For financial reporting purposes, the Hospital has included all funds, organizations, agencies, boards, commissions and authorities. The Hospital has also considered all potential component units for which it is financially accountable and other organizations for which the nature and significance of their relationship with the Hospital are such that exclusion would cause the Hospital's financial statements to be misleading or incomplete. The Governmental Accounting Standards Board has set forth criteria to be considered in determining financial accountability. These criteria include appointing a voting majority of an organization's governing body and (1) the ability of the Hospital to impose its will on that organization or (2) the potential for the organization to provide specific benefits to or impose specific financial burdens on the Hospital. The Hospital has no component units which meet the Governmental Accounting Standards Board criteria, except those noted above.

Big Horn County Memorial Hospital and Nursing Home is a 25-bed acute care hospital. Heritage Acres is a 36-bed skilled nursing facility, 10-bed assisted living facility, and a 10-unit apartment building. Both facilities are located in Hardin, Montana. The Hospital property and equipment is owned by Big Horn County and leased to the Hospital at a nominal fee.

**Measurement Focus and Basis for Accounting**

Basis of accounting refers to when revenues and expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

The accompanying basic financial statements have been prepared on the accrual basis of accounting in conformity with the U.S. generally accepted accounting principles. Revenues are recognized when earned and expenses are recorded when the liability is incurred.

**BIG HORN HOSPITAL ASSOCIATION  
HARDIN, MONTANA  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2013 AND 2012**

**NOTE 1    NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING  
POLICIES (CONTINUED)**

**Change in Accounting Standards**

The Hospital adopted GASBS 63, *Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position*, which renames the residual amounts from "net assets" to "net position". These financial statements include the statement of net position, which reports all assets, deferred outflows of resources, liabilities, deferred inflows of resources, and net position.

**Use of Estimates**

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

**Cash and Cash Equivalents**

The Hospital considers all liquid investments with original maturities of three months or less to be cash equivalents.

**Resident Trust Funds**

The Hospital acts as custodian for the funds of the nursing home residents. Those funds appear as restricted cash and accounts payable in the statements of net position.

**Patient and Resident Accounts Receivable**

The Hospital reports patient and resident accounts receivable for services rendered at net realizable amounts from third-party payors, patients, residents and others. The Hospital provides an allowance for doubtful accounts based upon a review of outstanding receivables, historical collection information and existing economic conditions. As a service to the patient and resident, the Hospital bills third-party payors directly and bills the patient and resident when the patient and resident's liability is determined. Patient and residents are not required to provide collateral for services rendered. Patient and resident accounts receivable are ordinarily due in full when billed. Delinquent receivables are written off based on individual credit evaluation and specific circumstances of the patient and resident or third-party payor. In addition, an allowance is estimated for other accounts based on historical experience of the Hospital. At June 30, 2013 and 2012, the allowance for uncollectible accounts was approximately \$710,000 and \$747,000, respectively.

**BIG HORN HOSPITAL ASSOCIATION  
HARDIN, MONTANA  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2013 AND 2012**

**NOTE 1    NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING  
POLICIES (CONTINUED)**

**Supplies**

Supply inventories, including medical supplies, are stated at the cost using the first-in, first-out method

**Noncurrent Cash and Investments**

Noncurrent cash and investments consist of money market funds, short-term certificates of deposit, and various government and equity securities. These assets include assets restricted under indenture agreement, donor restricted funds for terminal care of patients and internally designated for capital improvements and student loans. Amounts required to meet current liabilities are included in current assets. Investments in money market funds and certificates of deposit are carried at amortized cost, which approximates fair value. All other investments are carried at fair value. Fair value is determined using quoted market prices.

**Investment Income**

Investment income includes dividend and interest income, realized gains and losses on investments and the net change for the year in the fair value of investments carried at fair value. Investment income is included as nonoperating income on the statements of revenues, expenses, and changes in net position.

**Capital Assets**

Capital assets are recorded at cost at the date of acquisition or fair value at the date of donation if acquired by gift. Depreciation is computed using the straight-line method over the estimated useful life of each asset. Leasehold improvements and capital lease obligations are depreciated over the shorter of the lease term or their respective estimated useful lives. The following estimated useful lives are being used by the Hospital:

|                            |              |
|----------------------------|--------------|
| Buildings and Improvements | 5 - 40 Years |
| Equipment                  | 3 - 20 Years |

NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2013 AND 2012**

**NOTE 1    NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING  
POLICIES (CONTINUED)**

**Compensated Absences**

The Hospital has a paid-time-off (PTO) policy which incorporates PTO for holidays, vacations, and personal days. Employees begin earning PTO upon employment. Full-time employees may use PTO after a three-month probationary period and part-time employees may use PTO after a six-month probationary period. The maximum accrual is 240 hours for all employees. Accrued PTO is paid upon termination of employment. Accrued PTO is included with accrued compensation, benefits and related taxes on the statements of net position.

**Deferred Rental Income**

The Hospital received advance payments of rent from St. Vincent Health Center. The Hospital is recognizing income as it is earned.

**Grants and Contributions**

From time to time, the Hospital receives grants and contributions from individuals and private organizations. Revenues from grants and contributions (including contributions of capital assets) are recognized when all eligibility requirements, including time requirements are met. Grants and contributions may be restricted for either specific operating purposes or for capital purposes. Amounts that are unrestricted or that are restricted to a specific operating purpose are reported as nonoperating revenues. Amounts restricted to capital acquisitions are reported after nonoperating revenues and expenses.

**Net Position**

Net assets of the Hospital are classified in three components. Net assets invested in capital assets, net of related debt, consist of capital assets, net of accumulated depreciation, and reduced by the current balances of any outstanding borrowings used to finance the purchase or construction of those assets. Restricted-expendable net assets are non-capital assets that must be used for a particular purpose, as specified by creditors, grantors or contributors external to the Hospital. Restricted net assets are reduced by any liabilities payable from restricted assets. Unrestricted net assets are remaining net assets that do not meet the definition of invested in capital assets, net of related debt or restricted-expendable net assets.

**Net Patient and Resident Service Revenue**

Net patient and resident service revenue is reported at the estimated net realizable amounts from patients and residents, third-party payors and others for services rendered and includes estimated retroactive revenue adjustments and a provision for uncollectible accounts. Retroactive adjustments are considered in the recognition of revenue on an estimated basis in the period the services are rendered and such estimated amounts are revised in future periods as adjustments become known.

NOTES TO FINANCIAL STATEMENTS

**NOTE 1    NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING  
POLICIES (CONTINUED)**

**Operating Revenues and Expenses**

The Hospital's statement of revenues, expenses, and changes in net position distinguishes between operating and nonoperating revenues and expenses. Operating revenues result from exchange transactions associated with providing health care services - the Hospital's principal activity. Non-exchange revenues, including grants and contributions received for purposes other than capital asset acquisition, are reported as nonoperating revenues. Operating expenses are all expenses incurred to provide health care services.

**Charity Care**

The Hospital provides care without charge or at amounts less than its established rates to patients meeting certain criteria under its charity care policy. Because the Hospital does not pursue collection of amounts determined to qualify as charity care, these amounts are not reported as net patient and resident service revenue. Charges excluded from revenue under the Hospital's charity care policy were \$395,173 and \$318,464 for 2013 and 2012, respectively.

**Reclassifications**

Certain items in the prior year financial statements have been reclassified to conform to the current year presentation. These reclassifications had no effect on the overall net position of the Hospital.

**NOTE 2    NET PATIENT AND RESIDENT SERVICE REVENUE**

The Hospital has agreements with third-party payors that provide for payments to the Hospital at amounts different from established rates. These payment arrangements include

**Medicare**

The Hospital is certified as a Critical Access Hospital (CAH) and receives reimbursement for services provided to Medicare beneficiaries based on the cost of providing those services. Interim payment rates are established for inpatient and outpatient services, with settlement for over or under payments determined based on year-end cost reports. The Hospital's classification of patients under the Medicare program and the appropriateness of their admission are subject to an independent review by a peer review organization under contract with the Hospital. The Hospital's Medicare cost reports have been finalized by the Medicare intermediary through June 30, 2010.

HARDIN, MONTANA  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2013 AND 2012**

**NOTE 2    NET PATIENT AND RESIDENT SERVICE REVENUE (CONTINUED)**

**Medicaid**

Inpatient and outpatient acute care services related to Medicaid beneficiaries are paid based on the lower of customary charges, allowable cost as determined through the Hospital's Medicare cost report, or rates as established by the Medicaid program. The Hospital is reimbursed at a tentative rate with the final settlement determined by the program based on the Hospital's annual Medicaid cost report. The Hospital's Medicaid cost reports have been finalized through June 30, 2010.

**Other**

The Hospital has also entered into payment agreements with Blue Cross and other commercial insurance carriers. The basis for payment to the Hospital under these agreements includes prospectively determined rates per discharge, discounts from established charges, and prospectively determined daily rates.

**Resident Services**

The Hospital is reimbursed for resident services at established billing rates which are determined on a cost-related basis subject to certain limitations as prescribed by Montana Department of Public Health and Human Services regulation. Under the Medicare program, payment for resident services is made on a prospectively determined per diem rate, which varies based on a case-mix adjusted patient classification system.

Laws and regulations governing the Medicare and Medicaid programs are extremely complex and subject to interpretation. As a result, there is at least a reasonable possibility that recorded estimates will change by a material amount in the near term. The 2013 net patient and resident revenue decreased by approximately \$15,000 and increased by approximately \$29,000 in 2012, due to removal of allowances previously estimated that are no longer subject to audits, reviews, and investigations.

A summary of patient and resident service revenue and contractual adjustments is as follows:

|                                            | 2013                 | 2012                 |

- Common stocks listed on major U S stock exchanges (NYSE, AMEX and NASDAQ)
- Preferred stocks or convertible bonds listed on the above exchanges
- Obligations of the U S government and its agencies
- Bonds issued by U S corporations rated A or higher

The Board of Directors of the Hospital, through the Finance Committee, are responsible for the formulation, documentation and monitoring of investment strategy consistent with the investment policy. The board of directors is also responsible for reviewing the investment policy annually. In general, investments are exposed to various risks, such as interest rate, credit and overall market volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect the Hospital's account balances and the amounts reported in the financial statements.

NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2013 AND 2012**

**NOTE 11 COMMITMENTS AND CONTINGENCIES**

**Litigation**

In the normal course of business, the Hospital is, from time to time, subject to allegations that may or do result in litigation. Some of these allegations are in areas not covered by commercial insurance, for example, allegations regarding employment practices or performance of contracts. The Hospital evaluates such allegations by conducting investigations to determine the validity of each potential claim. Based upon the advice of legal counsel, management records an estimate of the amount of ultimate expected loss, if any, for each claim. Events could occur that would cause the estimate of ultimate loss to differ materially in the near term.

**Malpractice Insurance**

The Hospital has insurance coverage, to provide protection for professional liability losses, on a claims-made basis subject to a limit of \$1 million per claim and an aggregate limit of \$3 million. Should the claims-made policy not be renewed or replaced with equivalent insurance, claims based on occurrences during its term, but reported subsequently, will be uninsured.

**Risk Management**

The Hospital is exposed to various risks of loss related to torts, theft of, damage to, and destruction of assets, errors and omissions, injuries to employees, and natural disasters. These risks are covered by commercial insurance purchased from independent third-parties. Settled claims have not exceeded this commercial coverage in any of the three preceding years.

**Compliance**

The health care industry is subject to numerous laws and regulations of federal, state, and local governments. Compliance with these laws and regulations, specifically those relating to the Medicare and Medicaid programs, can be subject to government review and interpretation, as well as regulatory actions unknown and unasserted at this time. Recently, federal government activity has increased with respect to investigations and allegations concerning possible violations by health care providers of regulations, which could result in the imposition of significant fines and penalties, as well as significant repayments of previously billed and collected revenues from patient services. Management believes that the Hospital is in substantial compliance with current laws and regulations.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING  
AND ON COMPLIANCE AND OTHER MATTERS BASED ON  
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors  
Big Horn Hospital Association  
Hardin, Montana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Big Horn Hospital Association as of and for the year ended June 30, 2013, and the related notes to the financial statements, which collectively comprise the organization's basic financial statements, and have issued our report thereon dated March 4, 2014

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Big Horn Hospital Association's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we do not express an opinion on the effectiveness of the entity's internal control over financial reporting.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as described in the accompanying schedule of findings, we identified certain deficiencies in internal control that we consider to be material weaknesses.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the deficiencies described in the accompanying Schedule of Findings listed as 13-1, 13-2, and 13-3 to be material weaknesses.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Big Horn Hospital Association's organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion.

We noted certain other matters that we reported to management of Big Horn Hospital Association in a separate letter dated March 4, 2014.

Big Horn Hospital Association's responses to the findings identified in our audit are described in the accompanying schedule of findings. We did not audit Big Horn Hospital Association's response and, accordingly, we express no opinion on it.

This report is intended solely for the information and use of management, board of directors and others within the entity, and is not intended to be and should not be used by anyone other than these specified parties.

**BIG HORN HOSPITAL ASSOCIATION  
HARDIN, MONTANA  
SCHEDULE OF FINDINGS  
YEAR ENDED JUNE 30, 2013**

**Material Weaknesses**

13-1 Financial Reporting

As part of the audit, management requested us to prepare a draft of the financial statements, including the related notes to financial statements. Management reviewed, approved, and accepted responsibility for those financial statements prior to their issuance, however, management did not perform a detailed review of the financial statements and the completeness of the footnote disclosures. Without this assistance, there is a risk the financial statements would not provide complete and adequate disclosure.

Recommendation

We recommend that management implement effective review policies and procedures.

Response

Management feels that committing the resources necessary to perform a review of the footnotes disclosures for completeness would be a duplication of expenditures, as this is part of the cost of the audit engagement. In addition, the CEO and CFO review internal financial statements on a monthly basis and present the results to the board of directors.

13-2 Misstatements Detected by the Audit

Material misstatements were detected during the course of the audit which required management to post several adjusting journal entries to correct certain general ledger balances. Management is responsible for having controls in place to prevent or detect a material misstatement in a timely manner. Without these adjustments, the financial statements would have been materially misstated.

Recommendation

We recommend that the management implement effective accounting policies to prevent or detect material misstatements in a timely manner.

Response

Management will review procedures in order to limit the number of adjusting journal entries.

13-3 Bank Reconciliation Process

There was a system generated reconciling item in the year-end bank reconciliation for the general operating account that detail support was not available for. Also, there are several bank accounts (restricted cash, foundation, auxiliary, etc.) that are not reconciled on a timely or regular basis. Without proper reconciliation processes there is greater risk of misappropriation of assets.

Recommendation

We recommend that management research further into the underlying cause of the unexplained reconciling item in the bank reconciliation to gain a better understanding and to avoid similar situations going forward. We also recommend that all bank accounts be reconciled on a monthly basis.

Response

Management will work on understanding the cause for the unexplained reconciling item, and will consider the cost/benefit of reconciling all bank accounts on a regular basis.
