Part X Line 2 In 2009, Rural Solutions adopted the recognition requirements for uncertain income tax positions as required by generally accepted accounting principles. Income tax benefits are recognized for income tax positions taken or expected to be taken in a tax return, only when it is determined that the income tax position will more likely than not be sustained upon examination. Rural Solutions has analyzed tax positions taken for filing with the IRS and the State of Colorado. Rural Solutions believes that income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect on Rural Solutions' financial condition.
