Form 990, Part VI, Line 15b	Form 990, Part VI, Line 15b Compensation Review and Approval Process for Officers and Key Employees	The process for determining the initial compensation to offer the executive director and the chief financial officer is conducted by the personnel committee. The committee considers comparability data, duties and responsibilities of the position(s) and the organizations current financial state. The personnel committee submits its review and recommendation of compensation to the executive committee for final approval before the initial offer is made. The annual review of the executive director is conducted by the personnel committee. The personnel committee conducts an annual 360 review allowing for input from the ED, organizations staff, member groups and board of directors. A review of the EDs accomplishments is also taken in consideration and reviewed against the annual work plan and revenue. Once the review is completed the personnel committee has a closed door session for review and discussion. The committee then meets in a closed door session with the executive committee members for final approval of salary increase and bonus, if to be offered, to the ED. Any consideration of a salary increase or bonus is done within the constraints of the organizations annual budget. The president of the board has the final meeting with the ED to present the annual review and the salary and bonus to be offered. Presently the annual review of the CFO is conducted by the executive director. In the future, should the organization grow to accommodate additional key employees a review of compensation will be done by the personnel committee.

Form 990, Part VI, Line 12c	Form 990, Part VI, Line 12c Explanation of Monitoring and Enforcement of Conflicts	Per the written conflict of interest policy, it is the responsibility of each board member to report any potential conflicts of interest on an annual basis. Therefore, each year, all board members of ESCA are required to complete a full disclosure form concerning pertinent aspects of any potential or actual conflicts of interest and to sign and date the form. These forms are reviewed to determine if there have been any reported conflicts of interest. Any reported potential or actual conflicts of interest would be investigated by the executive committee to determine whether or not they constitute any action on the part of the full board, up to and including removal from the board should that be deemed necessary.
