	Form 990, Part VI, Section B, line 15	The Trustee Compensation Committee utilizes benchmark salary data from comparable higher education institution groups for the executive management positions of President, Vice Presidents, officers, key employees, and disqualified individuals. Compensation data is gathered of peer group institutions, which is available from subscribed survey data sources. The salary medians of the comparable education institution groups will inform the committee and be used as guides. The committee will also review salary in relation to local and national inflation measures, individual performance, as evidenced by the annual written performance evaluations, and the individual's length of service in the position. Detailed analyzed data is presented to the committee for review and discussion. After review and discussion of report results, performance evaluations, and any requested additional clarification, the committee, in executive session with the President and Board Secretary, determines salary increases for Vice Presidents and others. The Board Secretary is excused and the committee determines the Board Secretary's salary increase. The President is excused from the meeting and the committee develops a recommendation to the Board of Trustees for the President's salary increase. Minutes of the committee and the analyses are kept in confidentiality limited to the committee, President, Board Secretary, Vice President for Administration and Finance/Treasurer, and Director of Human Resources. The Director of Human Resources retains the minutes analyses as documentation of the process. The committee presents its report on the President's recommended salary increase to the Board of Trustees during the May board meeting.
