Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting as described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities and net assets of Aurora Area Interfaith Food Pantry, Inc. as of July 31, 2013, and its revenues, expenses and changes in net assets for the year then ended in accordance with the modified cash basis of accounting as described in Note 2.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of functional expenses - modified cash basis on page 11 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Notes to Financial Statements

1. ORGANIZATION AND PURPOSE

The Aurora Area Interfaith Food Pantry, Inc. (Food Pantry) is a not-for-profit organization that was organized by local individuals, community churches and church groups in 1981. Its objective is to provide food assistance to members of the community who are food insecure and have difficulty meeting their basic nutritional needs on their own. The Food Pantry is supported primarily through donor contributions, as well as grants from private foundations, local and state governmental units, and the Federal Government's Emergency Food and Shelter Program.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The records of the Food Pantry are maintained on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The modified cash basis of accounting differs from accounting principles generally accepted in the United States of America primarily because the Food Pantry has not recognized receivables, prepayments and payables. The financial statements are presented on the basis of unrestricted, temporarily restricted, and permanently restricted net assets.

Donated Services and Materials

Contributions of services are recognized if the services received (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation.

Donated services in the amount of \$97,315 and building materials in the amount of \$7,665 related to the Food Pantry's new facility renovation project are recognized in the statement of revenues, expenses and changes in net assets - modified cash basis as revenue and included in property and equipment on the statement of assets, liabilities and net assets - modified cash basis. No amounts have been reflected in the accompanying financial statements for donated food and other supplies, as there is no objective basis available by which to measure the value of such food and supplies. In addition, a substantial number of volunteers have donated significant amounts of their time to the Food Pantry program

Investments

Investments are carried at fair value and realized and unrealized gains and losses are reflected in the statement of activities.

Property and Equipment

Property and equipment acquired by purchase are stated at cost while those acquired by gift are stated at the fair market value at time of receipt. Only major replacements and improvements are capitalized and included in the property and equipment account. Depreciation has been provided using the straight-line method over the estimated useful lives of the related assets.

AURORA AREA INTERFAITH FOOD PANTRY, INC.

Notes to Financial Statements

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Use of Estimates

The preparation of financial statements in accordance with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Net Assets

The Food Pantry classifies net assets as unrestricted, temporarily restricted, or permanently restricted.

Unrestricted net assets of the Food Pantry are neither permanently restricted nor temporarily restricted by donor-imposed stipulations.

Temporarily restricted net assets of the Food Pantry result (a) from contributions and other inflows of assets whose use by the Food Pantry is limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions of the Food Pantry pursuant to those stipulations, (b) from other asset enhancements and diminishments subject to the same kinds of stipulations, and (c) from reclassifications to (or from) other classes of net assets as a consequence of donor-imposed stipulations, their expirations by passage of time, or their fulfillment and removal by actions of the Food Pantry pursuant to those stipulations. Donor restricted contributions whose restrictions are met in the same reporting periods are reported as unrestricted support.

Permanently restricted net assets of the Food Pantry result (a) from contributions and other inflows of assets whose use by the Food Pantry is limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of the Food Pantry, (b) from other asset enhancements and diminishments subject to the same kinds of stipulations, and (c) from reclassifications from (or to) other classes of net assets as a consequence of donor-imposed stipulations.

The Food Pantry reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs consist of unobservable inputs and have the lowest priority. The Food Pantry uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Food Pantry measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

The fair value measurements and levels within the fair value hierarchy of those measurements for the assets reported at fair value on a recurring basis at July 31, 2013 are as follows:

	<u>Fair Value</u>	<u>Significant Observable Inputs (Level 2)</u>
<u>July 31, 2013</u>		
Community Foundation Food Pantry Fund	\$ 10,171	\$ 10,171

Level 2 Fair Value Measurements

The fair value of the Community Foundation Food Pantry Fund for which quoted market prices are not available is valued based on the fair market values of the individual assets held by the Fund.
