Dear Mr. and Mrs. Davis. *Dear Jay,*

We can think of no better way to convey the importance of your annual support than to share with you excerpts from a letter written by a family member.

...While I have nothing but good things to say about the Home and its administrative staff, I wish to praise those who work on the floors day in and day out with the residents. Whenever I came to visit, I was struck by the cleanliness of the facility and found my mother well groomed.

My real admiration for the staff comes from the caring attitude that they project. They seem to have endless patience for the residents, spending time feeding each one in turn and offering a warm smile, a kind word or holding their hands. We look upon them as angels of mercy.

My hope is that the staff realizes how much the families appreciate the hard work that they do. Our loved ones who are in their care are at a vulnerable stage in their lives when they enter the Home, so we are especially grateful that, in her declining years, our mother was comfortable and received loving care.

On behalf of our residents and their families, please accept our heartfelt thanks for your Trustee level contribution of \$5,000.00. Your generosity touches the lives of our residents in so many ways. The William Breman Jewish Home provided no goods or services in return for your gift.

Sincerely,

Jerry Weiner

Mr. & Mrs. Jay M. Davis  
2450 W Wesley Rd NW  
Atlanta GA 30327-2032

Dear Ann and Jay:

I want to take this opportunity to personally thank you for your recent donation of \$10,000.

My acknowledgement letter usually emphasizes facts and figures because I believe these show you in a concrete way what generosity like yours helps us achieve. For instance:

- This year, Bramson ORT College celebrated its 70th anniversary and is on track to place 80% of its graduates in jobs within their chosen fields.
- In Detroit, which is facing extreme economic challenges, the Hermelin Resource Center offers retraining classes and job opportunities and is now affiliated with JVS of Detroit.
- By 2013, we have a goal of installing another 209 Smart Classrooms and training over 700 teachers in the revolutionary Kadima Mada program in Israel.

But I also want to stress, in a more personal way, how important you are to the work we do.

When I attended the Bramson graduation this year, I was again impressed by the tenacity and spiritedness of the graduates, all of whom have struggled successfully to be in that room and on that stage. You can get a taste of this from the newly minted video interviews we did with Bramson students and have posted on our website. Yes, Bramson's job placement rate is terrific, but it can't compare to the thrill of sympathy we feel when a student talks about how Bramson has given her the confidence and skills to get the degree that will get her the job that will allow her to care for her family.

This kind of academic and personal success is what your open-handedness has made possible. Your commitment guarantees a vibrant and expansive future for ORT's next century.

Thanks again,

Alan E. Klugman  
National Executive Director

Dear Jay:

I am writing on behalf of the Georgia International Law Enforcement Exchange to thank you and Ann for the Covenant Foundation third generous gift of \$5,000.00 to GILEE and for the Jewish Federation of Greater Atlanta gift allocation of \$12,000.00 that was designated to GILEE through your generous gift to the JFGA Annual Campaign. These gifts qualify the Covenant Foundation for listing in GILEE's 2012 Roll of Honor as a member of the *Heroes Level*.

Your continued support of GILEE reflects the value it holds for the law enforcement community, for Georgia State University, for the business community and for the Jewish community, especially this year as we are celebrating GILEE's 20<sup>th</sup> anniversary and the impact it had for the citizens of Georgia and beyond.

Dear Jay and Ann,

Thank you for your recent investment of \$20,000 in The Foundation for Defense of Democracies (FDD) through the Covenant Foundation. With your support, we are able to continue the vital work that we do -- defending the United States and other democracies against the Militant Islamist threat.

FDD is a nonpartisan policy institute dedicated exclusively to promoting pluralism, defending democratic values, and fighting the ideologies that drive terrorism. FDD uniquely combines policy research, democracy and counterterrorism training programs, strategic communications, and investigative journalism. FDD has been developed as both a "think tank" and an "action tank." Our task is not just to educate but also to bring about significant and positive changes. We employ the most sophisticated strategies to do battle in the media, on the campus, in the courthouse, and within the policy communities in Washington and abroad. FDD creates, incubates and supports a wide range of programs aimed at combating the ideologies and movements that drive terrorism and threaten free peoples around the world.

FDD will continue to be accountable to its donors as a non-profit organization that delivers real and measurable results.

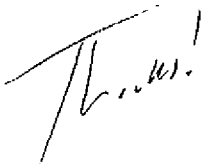

We are grateful for your support and commitment to free nations everywhere.

Sincerely,

Clifford D. May  
President

On behalf of all the children treated at ALYN Hospital,  
thank you for being a part of the WHEELS OF LOVE experience.  
Your gift helps us meet the financial shortfall between the actual cost of each child's

The young children and adolescents who come to ALYN seeking  
mobility and independence meet the challenges of  
living with disabilities with bravery and determination.  
Every child's story is humbling, inspiring and motivational.  
When WHEELS OF LOVE cyclists face a grueling hill

Dear Jay and Ann,

I wanted to drop you a quick note of thanks for your wonderful support of our annual 2013 Community Campaign. Through your generosity we are making a real difference in the lives of Jews, here in Atlanta, in Israel, and wherever Jews are in need, worldwide.

The prolonged recession that our country is slowly recovering from has certainly taken a toll on many in our Community. The work that Federation and our beneficiary agencies do daily to address the needs of our most vulnerable, is truly inspiring. None of this would be possible without your support.

We have a wonderful, caring Jewish Community here in Atlanta. While the needs in our Community are great and growing, I have every confidence that, together, we can restore and advance our Jewish Community, for the benefit of our children and grandchildren, in a manner that we all can be proud of.

I'm gratified to be leading your Federation and appreciate your support more than words can express.

With warm regards,

*Thanks you for your support!*

Dear Ann & Jay,

Thank you for your recent gift of \$500 to the Friends of the Arava Institute and the Arava Institute for Environmental Studies. Your donation directly supports the Institute's mission in the world to prepare future Arab and Jewish leaders to solve the Middle East's environmental challenges, and to create a space of technological innovation, social entrepreneurship and regional cooperation.

For 15 years, and with over 700 Israeli, Palestinian, Jordanian, and American alumni, the Arava Institute continues to transform fears and misperceptions into meaningful friendships that transcend traditional political and religious divides. The Arava Institute also continues to play a leading role in conservation, environmental protection and sustainable development policy.

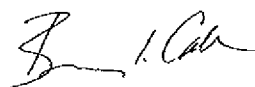

Highlights of our accomplishments from the past year include:

- The planting of Methuselah, the date palm grown from a 2,000 year old seed excavated from the top of Masada in the mid 1960's
- \$1 million dollar fundraising success by the Mountain States Region of the Jewish National Fund for the new Colorado Carbon Neutral Residence Hall
- 2011 Israel Ride that brought 81 cyclists to ride 300 miles from Jerusalem to the Red Sea raising over \$350,000 for both the Arava Institute and Hazon
- Welcoming three alumni to the Friends of the Arava Institute Board of Directors, and launching their initiative for a North American alumni network

Please view [www.arava.org](http://www.arava.org) for more news from the Arava Institute. We look forward to updating you again soon.

Dear Ann and Jay:

The reasons that people connect to The Woodruff Arts Center are as varied as the artistic and educational programming we offer each year. The Woodruff's creative energy reverberates through schools, neighborhoods and businesses, providing multiple points of connection to people of all ages and backgrounds. *Whatever your reason for believing in the power of the arts, we invite your involvement and investment in The Woodruff.*

After more than forty years of growth, The Woodruff remains a force for artistic excellence. As one of the Southeast's most influential cultural institutions, The Woodruff brings nationally-renowned works to Atlanta, while fostering new artistic voices and building relationships within our local community. Throughout the enclosed 2012-2013 Campaign Brochure, you will find examples of the myriad ways our divisions -- Alliance Theatre, Atlanta Symphony Orchestra, High Museum of Art and Young Audiences -- enrich lives and excite audiences.

As the largest provider of arts education programming in Georgia, The Woodruff plays a vital role ensuring that young people have outlets for creative expression, while leading state-wide efforts to integrate the arts with traditional school subjects. The Woodruff partners with schools and youth development organizations throughout the state, leveraging the artistic resources of our divisions for the benefit of thousands of students and teachers.

Gifts to The Woodruff's Annual Campaign support programs, educational outreach and critical operating expenses -- including many shared functions that benefit all of our divisions. We appreciate your recent generous support of the High Museum of Art as well as the \$25,000 pledge you made in 2011 and are paying over five years.

Thank you again for your support. We hope to see you at a performance or exhibit soon.

Sincerely,

David Edmiston

Dear Ann and Jay,

In thirteen years, the Birthright Israel program has transformed the lives of nearly 300,000 Jewish young adults from around the world. On behalf of the Board and staff of the Birthright Israel Foundation, thank you for the contribution of \$20,000 from the Covenant Foundation, Inc.

The Birthright Israel Foundation raises funds to support Taglit-Birthright Israel, a program which provides the gift of first time, peer group, educational trips to Israel for Jewish young adults ages 18 to 26. Upon their return, Birthright Israel alumni have a stronger personal and spiritual connection to Judaism, their Jewish communities, the Jewish people and Israel.

Birthright Israel's founders created this program to send thousands of Jewish young adults from all over the world to Israel as a gift in order to diminish the growing division between Israel and Jewish communities worldwide; to strengthen the sense of solidarity among world Jewry; and to strengthen participants' personal Jewish identity and connection to the Jewish people. Your support and generosity makes possible the continued success of this momentous program.

We thank you again for your strong partnership in this important work.

Sincerely,

David Fisher  
President

Dear Covenant Foundation,

On behalf of the Greater Washington, DC/Virginia Chapter of the Crohn's & Colitis Foundation of America (CCFA), I would like to thank you for your generous gift in the amount of \$500 to support our 2012 Team Challenge Las Vegas Rock 'n' Roll Half Marathon fundraising program.

Hundreds of volunteers and participants joined together in Las Vegas on December 2, 2012 in an effort to raise much needed funds towards our mission: *To cure Crohn's disease and ulcerative colitis, and to improve the quality of life of children and adults affected by these diseases.*

Gifts such as yours help us to continue to fund the best and brightest researchers in the county, while also supporting patients and their families who live in our communities. Progress is being made thanks to you! Your commitment and generous contribution enables CCFA to continue working towards a future without Crohn's disease or ulcerative colitis.

Please feel free to reach out by phone or email if you have any questions about CCFA's work or if you would like to become involved with Team Challenge. Thank you!

CAMERA is sincerely appreciative of the generous support you have given the organization since 1994. Your gift of \$2,500 to CAMERA is truly vital in our efforts to fight anti-Israel bias in the media and to educate the public about new and serious challenges confronting the Jewish state – from boycotts and divestment to the relentless delegitimization and demonization. Thanks to donors like you, we've been able to expand dramatically the scope of our work in the past several years.

In addition to increasing its Boston headquarters, CAMERA now has professional staff in New York, Washington D.C., Los Angeles, Chicago, Israel, Spain and Mexico. This has enabled us to devote special attention to British, Spanish and Israeli media and to develop new Web sites in Spanish and Hebrew. CAMERA also monitors the Christian media and works closely with many Christian groups.

Our letter-writing team now includes nearly 20,000 members who are continuously updated via E-mail alerts about media issues. In addition, CAMERA has expanded training of university students, enabling them to be well-informed and confident advocates and leaders for Israel through the highly successful CAMERA Fellows program. Also very exciting, the newly-launched CAMERA Campus Activist Project – now on nearly 30 campuses – creates pro-Israel *groups*, engendering solidarity and activism among pro-Israel students.

To keep abreast of the broad and deep range of CAMERA's ongoing activities and accomplishments, we encourage you to visit our primary Web site at [www.camera.org](http://www.camera.org) on a regular basis. We also hope you will attend CAMERA events when they are held in your area.

Please do not hesitate to call if you would like to discuss our work in further detail, or if you would like us to introduce your friends to CAMERA by sending them our materials. And thank you again for all you do to make possible our work on behalf of Israel at this urgent time.

With all best wishes,

**Dear Mr. & Mrs. Davis,**

**On behalf of the Jewish National Fund family, I would like to personally thank you for your generous gift of \$100.00 that you made on December 12, 2012 through Covenant Foundation Inc. Your support is so important.**

For more than 100 years, Jewish National Fund has been developing and caring for the land of Israel. Throughout this time, JNF has planted more than 240 million trees in Israel, creating lush, green forests in what used to be barren land. This precious green space allows all Israelis to enjoy time outdoors with their families away from the stress of daily life. For the past decade, JNF has also focused its efforts on developing the water resources of Israel. To date, JNF has built more than 200 water reservoirs and dams, which provide life-giving water to more than 1.2 million Israelis. JNF has also been constructing security roads along Israel's northern border with Lebanon, so that children and their parents can travel safely to school and to work out of harm's way. Your continued commitment to JNF allows us to focus on these and other essential projects throughout Israel.

In accordance with IRS regulations, this is your official receipt and certifies that you did not receive any goods or services in exchange for this gift; it is tax-deductible to the fullest extent of the law.

Thank you for your generosity and continued commitment to JNF. Your support makes you a valued partner with the people and the land of Israel.

Dear Mr. and Mrs. Davis,

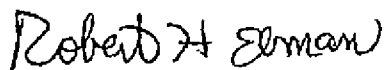

Thank you very much for your recent gift of \$1,000 from the Covenant Foundation to AJC for the Atlanta Jewish Film Festival. This letter will serve as your official receipt.

It is the enduring belief of AJC that understanding grows out of shared experiences, and stories are often the best way to foster such experiences. Through the power of film, relationships are strengthened within and beyond the Jewish community by exploring universal themes of human rights, global peace, religious freedom and tolerance.

Please know that we are deeply grateful for your support. In turn, AJC's pledge to you is to work night and day to seize the opportunities and confront the challenges. We will continue to have impact and make a difference – in Israel, in America and around the world. Thank you for your trust and for partnering with us.

With all best wishes.

Thanks to National Distributing Company's generous sponsorship, we were able to honor Marilyn Shubin with the Lifetime of Achievement Award and thank our donors who support and sustain our vibrant community.

Nearly 800 community members were reminded, or learned for the first time, that their gift to the Jewish Federation is impactful, relevant, and appreciated. No other Jewish organization touches more lives or takes responsibility for the collective like the Federation. Your sponsorship allowed those philanthropic dollars to go even further.

This event would not have been a success without the wonderful support you provided us.

Dear Covenant Foundation, Inc.:

On behalf of ORT America and the thousands of ORT students we serve daily, we want to thank you for your support of ORT America in 2012. Thanks to your contribution, our students and future leaders have the tools to reach their full potential in a competitive job market - even though they began with a socio-economic disadvantage.

Through your support in 2012 we were able to ensure that:

- In Israel, *Our Kadima Mada* (Science Journey) program is active in **over 165 World ORT schools** and has trained and emboldened **3,300 teachers and serves over 100,000 pupils in under-resourced areas**, equipping them with technological aids and providing on-going teacher training
- In **Argentina**, a stunning new **Science and Technology Center** opened to *accommodate 750 additional students per year*
- In the **Former Soviet Union**, we have recreated a dynamic educational network in **9 countries**, includes **56 projects in 38 locations** and serves **more than 25,000 people** with a first-rate academic education
- In our post-secondary schools in **New York, Chicago and Los Angeles**, enrollment is rising, and our schools are bursting at the seams. In this difficult economy with a high jobless rate, **80% (on average) of graduates are finding employment in their chosen fields**
- During the eight-day assault on Israel by Hamas rockets, **World ORT** was able to *distribute computers and basic necessities* that helped every child in an **ORT program** under assault stay in school and keep learning!

ORT's focus on quality education and technology-driven learning throughout the world instills in our 300,000 students daily the self-awareness, skills and knowledge to face the future with confidence.

Let me thank you again for your invaluable commitment to ORT America, and I - along with the students we empower around the world - look forward to working with you on securing ORT's future.

Sincerely,

John VerStandig,  
National President

Dear Ann and Jay:

On behalf of the staff and trustees of the Atlanta Police Foundation (APF), I would like to express our appreciation for your pledge of \$150,000 and initial payment of \$50,000 in support of the Atlanta Police Foundation's *Public Safety Next Generation Campaign*.

Amazing results have been accomplished thanks to supporters like you. Crime is down to levels not seen since 1969. Our police department is becoming one of the most progressive, cutting-edge policing agencies in the Nation with a police chief committed to best practices at all levels. The City's leadership is steadfast to keeping public safety at the forefront of their agenda. It is thanks to your support and investment that the Atlanta Police Foundation has catapulted into a leadership role driving the public safety agenda and enabling the strategy that has made these results a reality.

Your leadership gift to the *Public Safety Next Generation Campaign* helps the APF and Mayor Reed send a strong message to other supporters and to the community as a whole that public safety is essential to the health and welfare of our city and that strong private support is required if we are to be successful in reaching our goal of one day becoming the safest large city in America.

Thank you again for your continued leadership and support of the Atlanta Police Foundation. Please call me directly with any questions or if I can be of service at 404-586-0180.

Sincerely,

Mr. Jay Davis

2450 W. Wesley Rd.

Atlanta, GA 30327

Dear Jay,

Thank you very much for your generous Silver level sponsorship to this year's Crohn's and Colitis Foundation Annual Golf Classic! Each year thousands more children, teenagers and young adults are diagnosed with Crohn's disease or ulcerative colitis. These difficult illnesses affect them in so many ways, and for the rest of their lives. Unless and until we find a cure, research is their only hope.

We are appreciative of your contribution greatly! This year, the annual CCFA Golf Classic will be held at the famed Atlanta Athletic Club on Monday, April 22, 2013.

The Golf Classic is an important part of CCFA-Georgia's effort to raise money needed to fund mission-critical research, and educational programs to find the cause of and cure for Crohn's disease and ulcerative colitis, collectively known as inflammatory bowel disease (IBD). All proceeds are directed toward research and education programs.

Thank you for your donation! Should you have any questions, please don't hesitate to contact me or Krisa Heckler at the CCFA office at 404.982.0616 or email: [kheckler@ccfa.org](mailto:kheckler@ccfa.org).

Yours truly,

*Louie Shemaria*

Dear Ann and Jay,

On behalf of the Atlanta Regional Office of American Jewish Committee, thank you for making AJC one of your philanthropic priorities. Your gift of \$5,000.00 to AJC's Annual Campaign will impact the lives of many in Atlanta, in Israel and throughout the world.

Our ability to fulfill AJC's broader mandate of creating a more secure and just future for Jews and all other people is only possible because of thoughtful contributions from you and others in our community.

AJC Atlanta's impact is exemplified by the following programs:

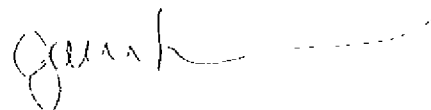

- **Project Interchange** – An educational institute of AJC which has sent over 6,000 leaders to Israel from a variety of industries and disciplines across the globe including Beverly Tatum (President, Spelman College) and Jeffrey Tapia (Executive Director, Latin American Association);
- **ACCESS** – AJC's young professionals program launched in Atlanta over 20 years ago, ACCESS has been training thousands of individuals to be the next generation of community diplomats;
- **Diplomatic Outreach** – Expanded our outreach to Atlanta's Consular Corps through our Dinner with a Diplomat series and our 8<sup>th</sup> annual Thanksgiving Diversity Luncheon empowering attendees representing all facets of Atlanta's diverse communal makeup to share a traditional Thanksgiving meal and celebrate democracy; and
- **Atlanta Black-Jewish Coalition** – For over 30 years, we have brought together leaders from Atlanta's Black and Jewish leadership to create understanding between our communities. This past year, we celebrated over 30 years with Congressman John Lewis and Atlanta Mayor Kasim Reed.

Thank you for believing in the important work of AJC. We are grateful for your support and look forward to seeing you at our future events.

Sincerely,

Twenty years ago The Alfred & Adele Davis Academy opened its doors to 20 eager students and their families. Today, we serve more than 600 students and celebrate over 630 graduates who are exceptionally well-prepared academically, who give back to their communities and who are grounded in all areas of life by their Jewish values.

On behalf of those students, I thank you for your sponsorship in support of The Davis Academy's 20 year Celebration. Your generosity will help ensure that we continue to provide generations of students with the best teachers and tools for learning for years to come.

2450 West Wesley Road NW  
Atlanta, GA 30327-2032

Dear Jay and Ann,

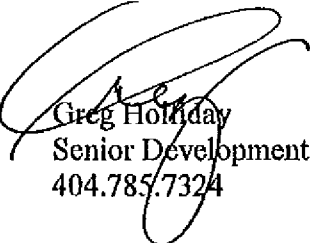

Children's Healthcare of Atlanta has received your gift of \$10,000 via Covenant Foundation, Inc. Your wonderful investment will enhance the lives of many by helping to ensure that children have access to the exceptional, comprehensive care they need.

As a not-for-profit organization, Children's relies on the generous support of donors like you to provide the comprehensive care that children and their families need. Your support helps to ensure that children of all ages are able to enjoy happier, healthier lives. This is because they are cared for by doctors, nurses and many other pediatric specialists who understand how to treat young patients and who provide this extraordinary care in hospitals designed for children. Importantly, thanks to donor support, no child is turned away solely because of a family's ability to pay.

With this gift, you continue to be members of Children's Circle of Care, and as such, will be invited to attend exclusive social and hospital-based events throughout the coming year. Your support at this level is vitally important to our ability to ensure excellence in patient care for the children and families that we serve and is greatly appreciated.

Jay and Ann, on behalf of our patients and their families, our physicians and staff, thank you for your generous support.

Over its 111-year history, Jewish National Fund has evolved into a dynamic organization that constantly grows to meet Israel's long-term needs as well as responds in times of crisis.

JNF works hard every day to build a prosperous future for the land of Israel and its people. Its mission is a comprehensive one: to improve the quality of life for all Israelis and to develop Israel for the next generation. With your help, JNF is providing relief during emergencies while continuing to build for the future. With your help, JNF is developing the Negev Desert into an attractive place for thousands of young, modern-day pioneers to live; making parks, forests, and recreation areas accessible to people with disabilities; connecting thousands of American students to Israel and their heritage as the single largest provider of Israel engagement programs in the United States; funding arid-agriculture research and development; and conserving and recycling Israel's precious water resources.

Your donation to JNF will make a tangible difference in the lives of the people in Israel. We help build tomorrow today. Thank you for joining in our effort.

Dear Ann and Jay:

Thank you for this \$5,000 Covenant Foundation check, representing the third installment on your generous \$25,000 five-year pledge. We're stretching to reach this year's goal of \$9.2 million for the 2013 Campaign and this makes a real difference.

Our artistic divisions are offering stellar programming for the 2012-2013 season. The Alliance Theatre will feature 11 productions, including four world premieres and four musicals. The season opened with Pearl Cleage's *What I Learned In Paris*, a romantic comedy set against the backdrop of Atlanta in 1973 and will close with *Zorro*, with music by the Gipsy Kings. The Atlanta Symphony Orchestra season includes three world premieres and thirteen Atlanta premieres as well as guest performances by Itzhak Perlman, Emanuel Ax, Midori, and Jean-Yves Thibaudet. Currently open at the High Museum of Art is the exhibition, *Frida & Diego: Passion, Politics, and Painting*, featuring more than 75 works primarily drawn from the collection of Mexico's Dolores Olmedo as well as the Jacques and Natasha Gelman Collection of Mexican Art. In June, the High will exhibit Vermeer's iconic painting, *Girl With a Pearl Earring*, as well as other canonical works from the Dutch Golden Age. Young Audiences continues to bring stimulating arts and education programming to Georgia children in 75 counties reaching over 350,000 students.

Virginia Hepner joins me in expressing our appreciation to you for your financial commitment to The Woodruff Arts Center, the Atlanta Symphony Orchestra and the High Museum of Art.

Sincerely,

Dear Ann and Jay,

On behalf of the Board of Directors and staff of the American Israel Education Foundation ("AIEF"), thank you for your generous two payments totaling \$125,000.

Through your gift to AIEF, you support the many educational and outreach initiatives that complement AIPAC's efforts to enhance the U.S. - Israel relationship. This includes educational seminars in Israel for federal and state elected officials, policy makers, and political professionals. AIEF seminars to Israel provide our nation's current and future leaders a personal Israel experience that highlights the importance of the United States' relationship with Israel. AIEF also provides up-to-date information about Israel and the Middle East to Congress, the Administration, the media, and the pro-Israel community.

AIEF also supports AIPAC's Leadership Development Department. This department engages and trains college students to become effective advocates for Israel. Every four years, there is an entirely new group of students who are faced with the constant challenges of anti-Israel sentiment and activity on their campuses.

AIEF invest significant resources in these programs. As the world turns increasingly negative towards Israel, there is an imperative that we do more to reinforce the United States' relationship with her. We are fortunate to count you among our partners in this effort. Thank you again for your generous support of AIEF.

Sincerely,

Richard Fishman

Dear Jay,

Thank you for your donation in March of \$2,000.00. We appreciate your help in the fight to eradicate DMST (domestic minor sex trafficking).

On March 18<sup>th</sup> Street Grace celebrated the official release of the "Georgia's Not Buying It" statewide campaign that focuses on the demand side of DMST. The campaign is a public-private partnership of the Attorney General's Office, law enforcement, Street Grace, youthSpark, and the Governor's Office of Children and Families. It features sportscaster Ernie Johnson Jr., along with local pro-athletes, and will be publicized throughout the State on TV, billboards, public transit systems and state parks.

On March 16<sup>th</sup> we held a "Serve, Learn and Volunteer" day at Brookhaven Christian Church in Atlanta. Volunteers created over 1300 "Blessing Bags," filled with non-perishable food items to help children in the Tri-Cities school cluster have food to eat during spring break.

Other events in March included a "Lunch and Learn" presentation for pastors and church staff at The Vine church in Hoschton Georgia, an "Essentials of DMST" class at The Temple in Atlanta and "DMST Awareness" presentations to the Griffin Rotary Club, the First Baptist Church in Duluth and St. Theresa Catholic Church in Douglasville Georgia.

These are just a few of the ways we work to insure the safety of Georgia's children. Thank you for supporting our efforts. Please let us know if we can be of service to you in any way.

Sincerely,

Dear Jay and Ann,

On behalf of the Georgia Chapter of the Crohn's & Colitis Foundation (CCFA), please accept our deep thanks for your donation of **\$100,000** to support CCFA's research agenda. We received your gift from the Covenant Foundation.

CCFA is in the midst of a scientific revolution, fueled by exciting new technologies in immunology, genetics and microbiology. The Gut Microbiome Initiative, Pediatric RISK Study, the Genetics Initiative and the CCFA Partners program have all seen great progress in the past few years. Researchers funded by CCFA are working tirelessly to achieve the ultimate goal: ensuring a future without Crohn's disease and ulcerative colitis. You, and your generous gifts, are making a significant impact and supporting their efforts in an exceedingly important way.

The expected outcomes of these initiatives will be to provide a path by which doctors can **more effectively treat patients from the onset of disease**. This will truly change the face of IBD for the patients we serve.

Your confidence in the work we do gives immeasurable hope to the patients we serve, including Richard and your other family members living with Crohn's and colitis. On behalf of each of them, you have our deepest gratitude.

Warm regards,

*Marcia*

DORIS AND ALEX WEBER  
JEWISH COMMUNITY HIGH SCHOOL

Covenant Foundation, Inc.  
Ann and Jay Davis

Atlanta, GA 30336

Dear Ann and Jay:

Thank you for the wonderfully generous gift of \$5,000.00 through The Covenant Foundation, Inc. to The Weber School's 2012-2013 Annual Giving Campaign. Donations to Annual Giving directly impacts all aspects of our educational programming and allows us to deliver an outstanding secular and Judaic education to Weber students. Your gift is very meaningful to us and we greatly appreciate your willingness to be connected to our community.

When students enter The Weber School's doors, they find a culture that inspires and embraces the freedom to be an explorer, a creative thinker, and, yes, a Jewish teenager in America. There's a spirit within our school that turns every ounce of energy into an experience where academic rigor and happiness are not mutually exclusive.

In addition, thank you for becoming a member of the **Kesher Society**. This donor society is for those who contribute a minimum of \$1,800.00 to the 2012-2013 Annual Campaign. Kesher Society members will be recognized prominently throughout the year in Weber publications and at Weber functions as our way of extending an extra show of gratitude for your support.

We are nowhere without the generous spirit found within you, our devoted and dedicated community. There is no better way to explain our unique and special school than giving you the opportunity to experience it first hand: please call Paige Nathan at 404-917-2500 X 118 to schedule a tour or if you have any questions.

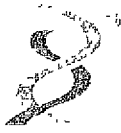

On behalf of the entire Weber School family, thank you for partnering with us through your giving.

Dear Jay:

Thank you for your recent gift to National Jewish Health. Your contribution is an important part of the collaborative effort that allows us to help millions of people worldwide each year through our care and research.

Our concentrated efforts, decade after decade, have enabled us to advance the course of medicine and save countless lives. National Jewish Health is *the* place in the United States where physicians refer the most difficult cases of respiratory, cardiac and immune diseases. In fact, no other coordinated research and clinical care facility with our expertise exists in the world.

While there are many important markers of our success, certainly our most visible public recognition is our ranking as the number one Respiratory Hospital in the United States by *U.S. News & World Report* for 15 consecutive years.

National Jewish Health has thrived for so long because of the generosity and commitment of people like you, people who believe in us; who champion research that improves lives worldwide; and who support education for physicians, scientists and everyone seeking healthy lives. Thank you again for your gift.

Please feel free to contact me anytime at 561-477-5400, and 800-286-6886 or [kurrye@njhealth.org](mailto:kurrye@njhealth.org). I look forward to hearing from you.

Dear Ann and Jay,

We are excited to have you as part of our Open Hand family—a family of friends who came together 25 years ago to help the most vulnerable in our community. **Your support enables us to provide medically-appropriate meals and nutrition education at no cost to thousands of homebound seniors and men, women and children affected by chronic or critical illness.** Our continued success in affording them a better quality of life is a result of the compassion and dedication of volunteers and donors like you who believe in our mission.

Thank you for the generous gift of \$1,000.00 in honor of Pam Chawkin for Party in the Kitchen. We remain committed to being good stewards of your contribution – in fact, **90¢ of each dollar you have donated will go directly to provide for those we serve.**

Your investment in our mission ensures that Open Hand can help our clients live independently and with dignity, armed with the tools to better manage their health, reducing the cost of healthcare by helping to keep them in their homes and out of the hospital. What's more, your generosity also inspires others to give of their own time and resources.

Together, we can help a chronically ill friend, disabled neighbor, or fragile grandparent who we've seen struggle to put a healthy meal on the table, and continue to have a positive impact on the community that has been so supportive of us.

Thank you for choosing to support Open Hand and for making a difference in the lives of the underserved!

With Sincere Appreciation,

**Dear JNF Supporter,**

**We gratefully acknowledge your generous gift of \$100.00 on December 12, 2012 on behalf of Mr. & Mrs. Jay Davis.**

For more than 100 years, Jewish National Fund has been developing and caring for the land of Israel. Throughout this time, JNF has planted more than 240 million trees in Israel, creating lush, green forests in what used to be barren land. This precious green space allows all Israelis to enjoy time outdoors with their families away from the stress of daily life. For the past decade, JNF has also focused its efforts on developing the water resources of Israel. To date, JNF has built more than 200 water reservoirs and dams, which provide life-giving water to more than 1.2 million Israelis. JNF has also been constructing security roads along Israel's northern border with Lebanon, so that children and their parents can travel safely to school and to work out of harm's way. Your continued commitment to JNF allows us to focus on these and other essential projects throughout Israel.

In accordance with IRS regulations, this is your official receipt and certifies that you did not receive any goods or services in exchange for this gift; it is tax-deductible to the fullest extent of the law.

Thank you for your generosity and continued commitment to JNF. Your support makes you a valued partner with the people and the land of Israel.

Sincerely,
