Identifier	Return Reference	Explanation
Description of Intended Use of Endowment Funds	Part V, Line 4	Permanently restricted net assets consist of an endowment fund held by the Foundation wherein principal is required to be invested in perpetuity. Distributions are restricted for ministry activities in a certain geographic region. The Foundation preserves the estimated fair value of the endowment gift as of the gift date which management deems is in compliance with state law. Accordingly, the Foundation classifies as "permanently restricted net assets" (a) the original value of gifts donated to the permanent endowment and (b) the original value of subsequent gifts to the permanent endowment.
Description of Uncertain Tax Positions Under FIN 48	Part X, Line 2	The Foundation is exempt from federal income tax as an organization described in Section 501(c)(3) of the Internal Revenue Code and from state income tax pursuant to state law. The Foundation is further classified as a public charity and is not a private foundation for federal tax purposes. The Foundation has not incurred unrelated business income taxes. As a result, no income tax provision or liability has been provided for in the accompanying combined and consolidated financial statements. The Foundation has not taken any material uncertain tax positions for which the associated tax benefits may not be recognized under accounting principles generally accepted in the United States of America. Federal and state tax authorities may generally examine the organization's income tax positions or (if applicable) returns for periods of approximately three to six years.

Bible League has adopted an executive compensation setting policy applicable to all disqualified persons, including its officers and key employees. Under the policy, an independent committee of Bible League's Board of Directors annually reviews and approves the compensation levels of all individuals subject to the policy. The deliberations and decisions of the committee are contemporaneously substantiated. The committee utilizes comparability data in its deliberations, updated comparability data is generally obtained every two to three years
