Identifier	Return Reference	Explanation
Part X	Part X FIN48 Footnote	The Organization follows FASB accounting standards for uncertainty in income taxes. These standards require that uncertain income tax positions be more likely than not before the amounts are recognized in the financial statements. Further, the standards require the benefit or expense be recorded in the financial statements as the amount most likely to be realized assuming a review by tax authorities having all relevant information and applying current conventions. The Organization has assessed its federal and state tax positions and determined there were no uncertainties or possible related effects that need to be recorded as of and for the years ended August 31, 2013 and 2012.
