CHARLES AND TRUDA DRENNAN FOUNDATION
SCHOLARSHIP APPLICATION FORM

General Information:

The Charles and Truda Drennan Foundation awards scholarships to students desiring to further their education or training. If a scholarship is awarded, it will generally be awarded in the spring of the year that the student graduates. The amount of the scholarship varies from year to year. The Superintendent will be available to provide an estimate of the amount of the scholarship in any given year. The award of the scholarship is made on the basis of scholarship, citizenship, and need. The greatest emphasis is placed on need, but scholarship and citizenship are also very important factors that are considered in awarding the scholarship.

In order to apply for the scholarship, you should complete this application form and submit it to the Superintendent by February 1 of the year that you will graduate.

If you are awarded the scholarship, you will be required to submit proof of enrollment in an approved educational program before the scholarship funds will be distributed to you. In most cases, the educational program will be at a college, but certain trade schools or other programs may also qualify. You will also be required to submit proof of satisfactory completion of the first semester before the second one-half of the scholarship is distributed to you.

Please complete the following:

1. Name _____

Address _____

2. Expected date of graduation from high school _____

3. Educational institution that you expect to attend after graduation

(Note: You may change this information later as long as the institution is one that is approved by the foundation trustees.)

4. Grade point average and class rank:

Freshman year _____

Sophomore year _____

Junior year _____

Cumulative from Freshman year to date of application _____

5. List any reasons or activities that demonstrate your commitment to your community or school, such as participation in extra-curricular activities, work done on civic projects, etc. (Attach additional page if more space is required.)

6. List the reasons why you need this scholarship. Include an estimate of the amount of financial assistance you expect to receive from other sources, such as family, friends, other scholarships, etc. Include any factors that

would assist the trustees in determining the extent that you need this aid, such as parents' income, other family enrolled or expected to be enrolled in educational institutions, etc.

Under penalties of perjury, I certify that the information contained in this application is true and accurate to the best of my knowledge.
