Part X	Part X FIN48 Footnote	The Miriam Hospital Foundation (TMHF), as a not-for-profit corporation, is recognized under Section 501(c)(3) of the Internal Revenue Code and is exempt from Federal income taxes. TMHF recognizes the effect of income tax positions only if those positions are more likely than not to be sustained. Changes in measurement are reflected in the period in which the change in judgment occurs. TMHF did not recognize the effect of any income tax positions during the fiscal year ended September 30, 2013.
Part V, Line 4	Part V, Line 4 Intended uses of the endowment fund	The Miriam Hospital Foundation's (TMHF's) endowment funds were established for a variety of purposes, including both donor-restricted endowment funds and funds designated by TMHF to function as endowments. TMHF's largest permanently restricted endowment generates income which is donor-designated to support the Hospital's Emergency Department. TMHF maintains another large permanently restricted endowment fund, the income from which is donor-designated for the general use and purposes of the Department of Cardiology at The Miriam Hospital. Income from TMHF's other notable permanently restricted endowments is for the general use and purposes of The Miriam Hospital and also supports education and research in The Miriam Hospital's Department of Medicine, the geriatrics program, and nursing scholarships. The largest temporarily restricted endowments held by TMHF are used to support both the Capital Campaign Building Fund at The Miriam Hospital and the Campaign for Excellence, which uses donations to support both Emergency Department renovations as well as a new Procedural Care Unit (the Unit). The Unit is suited for cardiology and endoscopy patients treated at The Miriam Hospital and consists of 21 beds focusing on cardiac catheterization and electro-physiology. TMHF's unrestricted endowment supports spending priorities at The Miriam Hospital collaboratively established by the management of The Miriam Hospital and TMHF and approved by TMHF's Board, and also defrays fundraising expenses.

Identifier	Return Reference	Explanation
Grantmaker's Description of How Grants are Used		The Miriam Hospital Foundation (the Foundation) engages in philanthropic activities to support the mission and purposes of The Miriam Hospital, a related 501(c)(3) organization. During the fiscal year ended September 30, 2013, the Foundation made temporarily restricted net asset transfers to The Miriam Hospital amounting to \$3,732,189 to be spent by The Miriam Hospital in support of certain building and equipment additions or specified clinical programs. A master database of the Foundation's temporarily restricted funds is maintained as the primary source for identifying each fund's restriction, the availability of the current balance, and the authorized personnel for the respective fund. The database contains the fund's name, primary reporting department, most recent month end balance, fund purpose/restriction, and the management responsible for the fund. Expenditures (purchase requisitions, work order requisitions, check requests, and employee reimbursements) from The Miriam Hospital's temporarily restricted funds must be presented to the Lifespan Finance Department for approval prior to processing. Each request is reviewed to ensure the availability of funds and that the expense/purchase is both in conformity with the fund's restriction and approved by the required levels of authorized personnel referenced in the database. Additionally, the Foundation made grants from its unrestricted net assets to The Miriam Hospital in the amount of \$1,303,998 in fiscal year 2013 in support of spending priorities collaboratively established by the management of The Miriam Hospital and the Foundation and approved by the Foundation Board. The Foundation and Brown University (Brown) have several agreements pursuant to which each entity maintains endowment funds representing 50% of certain endowment gifts which support various clinical shared chairs. Each agreement specifies a spending rate which is applied to the trailing three-year average fair value of the applicable endowment funds to arrive at an amount used to support the named Professorships. Payments distributing these amounts are made by the Foundation to Brown on a quarterly basis. Under the terms of the agreements, Brown is required to provide an annual accounting to the Foundation sixty days following the anniversary of each agreement.

Sch J, Part I, Line 7	Part I, Line 7 Non-Fixed payments not listed above	The Lifespan Annual Incentive Compensation Plan provides a financial award opportunity for designated members of management, based on quantified objectives that are approved in advance by the Compensation Committee of the Lifespan Corporation Board of Directors. A specified level of financial performance must be met before any award is earned. The objectives vary from year to year and generally include various aspects of financial measures in addition to non-financial performance measures. For certain participants in the Annual Incentive Compensation Plan, the award opportunity is divided into two pools. The first pool represents 80% of any earned incentive award, based on the achievement of the team performance objectives. The remaining 20% pool is distributed on an individual basis to participants at the discretion of the CEO, in each case subject to approval by the Compensation Committee of the Lifespan Corporation Board of Directors.
Sch J, Part I, Line 1a	Part I, Line 1a Relevant information in regards to selections on 1a	Tax Indemnification and Gross-up Payments: The Lifespan Executive Long Term Disability program provides financial protection to designated Lifespan executives in the event that they become disabled. Premiums are paid to the insurance carrier by the insureds on an after-tax basis to allow for income replacement at a reasonable cost. The income associated with the premiums is grossed-up to cover the total cost of the benefit as provided in the Lifespan Executive Benefit Plan and is included in Medicare wages, more specifically on Schedule J, Part II, Column B (iii) Social Club Dues: The job responsibilities of certain executives include development of relationships with business leaders and donors. Those relationships are facilitated by the ability to meet in private sessions during which focused business discussions take place. The Hope and University Clubs, which require individual memberships, are places in Providence where businessmen and women, civic, community, and social leaders can gather in a businesslike atmosphere. The cost of membership is considered by Lifespan to be reasonable and necessary and thus a qualified business expense not taxable to the employee. IRS regulations regarding documentation requirements are followed for any payments made for meetings held at the respective club, including the business purpose and nature of the business benefit derived, the nature of the business discussion or activity, and the identity and business relationship of attendees.
