Identifier	Return Reference	Explanation
Part X, Line 2		Nurse-Family Partnership (NFP) is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code (IRC), accordingly, no provision for income taxes is included in the accompanying financial statements. NFP received final determination as a public charity under Section 501(c)(3) of the IRC in December of 2007. NFP assesses the likelihood of the financial statement effect of a tax position that should be recognized when it is more likely than not that the position will be sustained upon examination by a taxing authority based on the technical merits of the tax position, circumstances, and information available as of the reporting date. Management does not believe that there are any tax positions that would result in an asset or liability for taxes being recognized in the financial statements. NFP's policy is to recognize interest and penalties accrued on any unrecognized tax positions as a component of income tax expense. As of September 30, 2013 and 2012, NFP did not have any accrued interest or penalties associated with any unrecognized tax positions, nor were any interest expense or penalties recognized during the years ended September 30, 2013 and 2012. There are open statutes of limitations for taxing authorities to audit NFP's tax returns for 2010 through the current period.
