Endowments	Schedule D, Part V	The University's endowment funds are intended to support its educational mission either through the funding of everyday operations or of student scholarships. Over the long-term, the University intends to keep the principal intact, using only the earnings on its investments to fund activities. Form 990, Schedule D, Part XI, XII & XIII. Gallaudet University does not receive standalone financial statements, its operations are consolidated with an affiliated organization, Gallaudet University Foundation. The Parts XI, XII and XIII reconciliations on schedule D tie back to Gallaudet's financial information in the audited financial statements and not to the consolidated numbers.

FIN 48	SCHEDULE D, PART X	Gallaudet has been recognized by the Internal Revenue Service ("IRS") as exempt from federal income taxes except on activities unrelated to its exempt purpose, under provisions of Section 501 (c)(3) of the internal revenue code of 1986 as amended. The IRS has determined that Gallaudet is a publicly supported educational institution and not a private foundation. The income taxes topic number 740, "Income Taxes" of the FASB Accounting Standards Codification ("Codification") establishes criterion that an individual tax position has to meet for some or all the benefits of that position to be recognized in an entity's financial statements. Upon initial application, this criterion is applied to all tax positions for which the statute of limitations remains open. Only tax positions that meet the "more-likely-than-not" recognition threshold at the adoption date will be recognized or continue to be recognized. This criterion was adopted by the University on October 1, 2009, and had no impact on the University's financial statements. The tax years ended 2011, 2012 and 2013 are still open to audit for both federal and District of Columbia purposes. The University has processes presently in place to ensure the maintenance of its tax-exempt status, to identify and report unrelated income, determine its filing and tax obligations in jurisdictions for which it has nexus, and to review other matters that may be considered tax positions.
