The grants listed with the purpose of "grant requirement" are part of the budget approved by the Department of Education for the PTAC grant. There are requirements and stipulations set up in the PRAC grant on what and who can receive these grants.

Each organization sends to PRN an ICAP reimbursement form stating the amount to be reimbursed. Attached to this form are receipts or copies of receipts showing the expenditures. It is reviewed to confirm that the request is accurate and follows the requirements of the grant. Then following approval of the Executive Director the check is issued.

Community Support grants - an organization contacts one of the PRN project managers to request funds. The organization submits a proposal on how the funds are to be used and provides references. The request is submitted to the Executive Director for approval. When the organization uses the funds they submit a report to PRN on the outcome of their project. These small grants to community organizations are part of the OSEP approved budget for the PTI grants.

**11a. Process for review of Form 990: The final Form 990 is provided to the Board of Directors for review at a quarterly meeting scheduled at a timely date. The Board President and Treasurer have access to the reports at any time.**

**15a and 15b - Compensation: The salary of the Executive Director is determined by the Board of Directors on an annual basis after careful review of job responsibilities, performance, budgets and comparability data for similar positions. A committee of the Board conducts the performance evaluation for the Executive Director and the Co-Director as well to avoid a conflict of interest, since these two employees are married. The Executive Director evaluates and determines salaries for state (multi-project staff) and Project Managers. The Program Managers evaluate their own staff then confer with the Executive Director regarding their salaries.**
