OFFICER COMPENSATION	PART VI, SECTION A & B, LINE 15	The president/CEO has a salary and compensation package set by the Board's Goals & Compensation Committee, in accordance with the Board's Bylaws. The committee uses an independent contractor to conduct an extensive review of current chambers of commerce presidents/CEOs of similar size chambers with similar mission focus across the United States. In addition, the contractor determines what salaries and compensation packages are for local and regional not-for-profit organizations' presidents/CEOs with similar size of staffing, budget, and regional scope. Once the contractor has completed a thorough analysis and made a recommendation, the Goals & Compensation Committee establishes the salary and compensation package for the president/CEO. For each vice president, a similar process is conducted by The Chamber, and the president/CEO determines each VP's salary based on independent contractor analysis and recommendation. The Benefits for VPs are the same as for all staff members. The Goals & Compensation Committee determines if any yearly incentive payment will be paid to all staff members, which include executive officers, based on The Chamber meeting corporate goals established by the Goals & Compensation Committee at the beginning of the fiscal year and the year-end financial statements. The president/CEO annually at year-end reviews executive officers' compensation with the Goals & Compensation Committee and the committee determines what if any increase will be set for the coming year.
