IRS Form 990 Part VI, Section B, 11b

The SEK-CAP Governing Board Audit Committee has certain responsibilities in the areas of financial reporting, internal control, and the Organization's governance. In the areas of financial reporting and internal control, the Committee oversees the external audit process, the auditor's performance, and review of non-audit services provided by the external audit firm for compliance with professional independence standards.

The Audit Committee reviews accounting policies, financial statements, and other reports requiring approval by the Board before submission to government agencies, and auditor opinions and management letters. The Committee determines that all required tax and information return filings with Federal, state, and local government agencies, including Form 990, are current and in compliance with reporting requirements.

The Audit Committee also serves as the primary point of contact for any employee who suspects that fraud has been committed against the Organization or by one of its employees or board members.

All of the Committee's review functions, including the review of the financial statement and 990 shall not be limited to the Audit Committee, but shall involve the entire Board of Directors.

IRS Form 990 Part VI, Section B, 12c

SEK-CAP's Disclosure Requirements provide that a director or employee who believes that he/she may be perceived as having a conflict of interest in a discussion or decision must disclose that conflict to the group making the decision. Most concerns about conflicts of interest may be resolved and appropriately addressed through prompt and complete disclosure.

On an annual basis, SEK-CAP policies, procedures, and practice, require that all members of the Board of Directors, the Executive Director, members of senior management, and employees with purchasing and/or hiring responsibilities or authority shall inform, in writing, the Executive Director of all reportable conflicts. Prior to the preparation of the disclosure statements, the Accounting Services Department distributes a list of all vendors with whom the Organization has transacted business at any time during the preceding year, along with a copy of the disclosure statement. The Executive Director reviews all forms completed by employees, and the Governing Board reviews all forms completed by directors and the Executive Director, and determines appropriate resolution in accordance with the resolution of conflicts of interest policy. If a conflict arises during the year, the employee or board member must immediately notify the Executive Director who will determine appropriate resolution.

The SEK-CAP Governing Board of Directors and Officers serve without pay and are not compensated for providing services to the Corporation. The Board of Directors hires and supervises the Executive Director position, who reports directly to the Board. The Executive Director is empowered to employ, promote, discipline, and deploy all staff, including the Deputy Director position. The Deputy Director may act in similar capacity as the Executive Director in his/her absence. The Board sets the compensation and benefits of the Executive Director. The Executive Director's authority, with respect to paying compensation and benefits of all other employees, consultants, contract workers and volunteers, is limited as follows: Current compensation and benefits of all other employees must be reasonably consistent with the geographic or professional market in which the agency operates; Must be as objective and free from claims of favoritism and class-related bias as possible; May not be committed over a longer term than fifteen months into the future; and may only be promised contingent upon sufficient agency revenues. SEK-CAP performs a wage comparability study annually to ensure the salary and wage structure is similar to other organizations of like size and employee base in our area.

SEK-CAP adheres to the executive level salary cap that prohibits the use of federal funds to pay any portion of compensation to an above Executive Level II, which is \$179,700 for 2011-2013. Compensation is defined to include salary, bonus, leave, and benefits.
