Return Reference	Explanation
Part X, Line 2	The Company is exempt from income taxes on related business income under Section 501(c)(3) of the Internal Revenue Code. Generations and MPCHA are treated as pass-through entities for tax purposes. MPCHP is a for-profit entity and is, therefore, subject to income taxes. MPCHP follows the asset and liability method of accounting for income taxes whereby deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. At December 31, 2013, there are no significant deferred tax assets or liabilities. Additionally, MPCHP net income and net loss were insignificant in 2013 and 2012, respectively. The Company and MPCHP could be required to record an obligation for income taxes as the result of a tax position they have historically taken on various tax exposure items including unrelated business income or tax status. Under guidance issued by the Financial Accounting Standards Board (FASB), assets and liabilities are established for uncertain tax positions taken or positions expected to be taken in income tax returns when such positions are judged to not meet the "more-likely-than-not" threshold, based upon the technical merits of the position. Estimated interest and penalties, if applicable, related to uncertain tax positions are included as a component of income tax expense. The Company has evaluated the positions taken on its filed tax returns. The Company has concluded no uncertain income tax positions exist at December 31, 2013. The Company's tax years from 2010 through 2013 are open and subject to examination.

Return Reference	Explanation	
	Form 990, Part III, Line 4a-d	Not-for-Profit Narrative Statement Martin's Point Health Care is a progressive not-for-profit health care organization, based in Portland, Maine, that is leading the way in providing better care and experience at lower cost in the communities we serve. The primary goal of Martin's Point is to help our patients and members live healthier lives. We achieve this through our commitment to provide the best possible health care experience to those we serve, offering clinical excellence in care, and treating them with warmth and concern. By working in partnership with our patients and members, we help them take an active role in making good health choices and ultimately living happier and healthier lives. More specifically, we care for our communities in primarily three ways: 1) by providing high-quality primary care and selected specialty and ancillary services to patients at eight locations throughout Maine and one location in New Hampshire, including onsite pharmacy, radiology, and lab services at most locations, 2) by administering Military and Medicare Advantage health insurance plans, and 3) by making positive improvements that help transform the health care system in the communities we serve and that can also serve as models of improved care beyond our communities, both statewide and nationally. PROVIDING HIGH-QUALITY PRIMARY CARE In 2013, Martin's Point Health Care -Served 75,000 patients through family medicine, pediatrics, internal medicine, cardiology, general surgery, sports medicine, cosmetic dermatology, physical therapy, and more. Many patients were also able to take advantage of onsite radiology, pharmacy, and laboratory services. -Implemented a state-of-the-art integrated medical record and billing system at all of our locations so that patient health records are of high quality, easily available, and support care to the highest clinical standard. -Continued integrating behavioral health services at five of our locations (Bangor, Brunswick Cook's Corner, Brunswick Bowdoin, Portland, and South Portland). -Continued work on our model of care in which physicians and other medical staff are grouped into "care teams." Through this team setup, they are able to more effectively work together to anticipate patients' needs, better coordinate their care, and help create better health outcomes and experiences. -Provided nearly \$228,000 of medical services free-of-charge to patients with insufficient coverage. PROVIDING HEALTH PLANS FOR MEMBERS Martin's Point offers two health care plans for select groups throughout the Northeast. Our plan members receive comprehensive benefits and quality care and they consistently give us high ratings for exemplary service and satisfaction.
