990 PART VI SECTION B LINE 15	Each Year Up staff member, including the CEO, receives a 360 degree review, which includes a review from local or national Board for Senior Executives, prior to receiving a salary adjustment. This review occurs annually. Inputs to salary increase are informed by a number of factors, including but not limited to, competency proficiency, performance, experience, geography, organizational growth, and overall economy. The governing board reviews performance evaluations, salaries and recommendations for increases for all Year Up Executives annually to ensure our compensation system is fair and equitable, and in line with market analysis. Year Up salaries and salary bands are reviewed against market data on an on-going basis. The most recent review was Q-3 2013 with primary market data of 20 peer organizations and secondary data from 8 sources representing thousands of organizations. Relevant data reviewed included academic sources, 2 year and 4 year public and private colleges, corporate training programs, business/computer training programs, technical and trade schools, and high schools. This review is conducted to ensure Year Up's compensation is competitive and in line with our market niche. The Human Capital Committee of the Board conducts the CEO review. Included in the committee file is a written performance review given to the CEO, a competitive benchmark study on executive level compensation, as well as documentation in the meeting minutes regarding a review of all executive compensation decisions.
