Explanation: The reason for filing the form 990 late is that our non-profit organization maintains a very lean accounting and finance staff. I have been with the organization for only seven months and we did not have money in our budget to have an accounting firm prepare the 990 this year. We successfully completed our A133 audit timely, however needed one more day to complete the 990 while maintaining our daily operations. With our operations tied so closely to the academic year, the filing due date came in the middle of our busiest time. To my knowledge this is the first time the organization missed the filing deadline.
