**Reasonable Cause Explanations**

**Explanation**

The return is being filed late due to the task not being clearly defined in an employee's job description in the absence of an accounting firm. As the entity is undergoing major transitions in management and scaling back its activities, we respectfully request the late filing fee be abated. It would be a hardship on the organization's limited resources. The task has been since clearly defined in a job description to alleviate this from happening again.
