A Summary of Direct Charitable Activities

List the Foundation's four largest direct charitable activities during the tax year. Include relevant statistical information, such as the number of organizations and other beneficiaries served, conferences convened, research papers produced, etc.

Support for William T. Grant Scholars - $152,686
The Foundation hosts an annual retreat to bring together the active cohorts of William T. Grant Scholars. The meeting is designed to foster a supportive environment in which Scholars can improve their skills and work. The retreat consists of workshops centered on Scholars' projects, research design and methods issues, and professional development. Additionally the Foundation supports mentors for each Scholar. Combined with those chosen in previous years, the Foundation supported 31 Scholars in 2013.

Support for Youth Service Improvement Grantees- $78,205
The Foundation provides technical assistance to recipients of our Youth Service Improvement Grants, which are awarded to organizations seeking to improve the services they provide to young people ages 5 to 25 in the five boroughs of New York City. Technical Assistance, provided through a third party, consists of 1) onsite consultation with individual grantees to refine improvement project goals, indicators, and implementation strategies, and 2) learning community meetings by cohort focused on areas of common interest.

Meeting Participation and Sponsorship - $60,322
In 2013 Foundation staff led, participated in, or delivered presentations at more than 40 convenings in areas of interest to the Foundation. These included Foundation-sponsored grantee meetings, research conferences, and network building opportunities.

Publications - $27,500
The Foundation supports writing and dissemination of information in our focus areas. These include white papers, essays, books, and other products. In 2013, the Foundation commissioned a white paper on research-practice partnerships in child welfare and supported a book on the use of research evidence in education.
