Part I, Line 2	Contributions given to organizations in the US are generally based on long-term relationships with key stakeholders in the organizations. We would generally receive a letter requesting financial assistance. This is reviewed by staff and recommendations are made to the Executive Director. The Executive Director would submit this to the Board of Directors for approval or ratification of any actions taken. This is normally apart of the proposed annual budget and ministry plan that is approved by the Board of Directors. Verification of appropriate use of funds is done through regular correspondence and regular reports.
