	ORGANIZATIONAL EFFECTIVENESSAchievements Unlimited Foundation, the supporting organization of Impact Foundation (collectively the "Foundations"), recognizes that many nonprofit organizations often lack expertise and financial resources to invest in organizational assessments, strategic planning and highly effective fundraising training which will ensure their organization's effectiveness and long-term sustainability. The Foundations partnered with Dakota Medical Foundation through the Impact Institute (Institute) to provide support, education, training, and coaching sessions for nonprofit partner organizations. Since inception in 2005, nearly 4,800 nonprofit executives and directors from over 400 nonprofit organizations have learned effective leadership and fundraising concepts through the Institute programs. Nonprofit Board and Management Training. Training boards and key management personnel to operate their organizations in a highly effective and efficient manner is a key education focus for the Foundations. The Foundations have encouraged many area nonprofit organizations to attend the Impact Institute's education and training programs. In 2013, the Institute expanded the ability of charity organizations to solve complex community challenges through its training and coaching. The Institute trained nearly 250 organizations and over 800 people, particularly in fundraising. Many continued their professional development in the fundraising curriculum developed by FundingLogic through coaching programs conducted by the founders to build a mastery of fundraising and leadership. A review of Form 990s for 24 nonprofit organizations that participated in fundraising training showed that their public support increased over a four year period from \$32 million in donations in 2007 to \$63 million in public support in 2011. Grant Writing Services. Since 2005, the Foundations have supported grant writing assistance for health-related nonprofit organizations to generate additional financial resources for their programs. Since the formal addition of grant writing assistance, the Foundations and other regional nonprofit organizations have secured over \$14.7 million in grant funding.
