**INDEPENDENT AUDITORS' REPORT**

To the Board of Directors  
Voices Against Brain Cancer, Inc.  
New York, NY

**Report on the Financial Statements**

We have audited the accompanying financial statements of Voices Against Brain Cancer, Inc. (a New York not-for-profit Organization), which comprise the statements of financial position as of December 31, 2013, and the related statements of activities, functional expenses, changes in net assets, cash flows and the related notes to the financial statements for the year then ended.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Voices Against Brain Cancer, Inc. as of December 31, 2013, and the changes in its net assets and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

**1 Nature of Activities**

Voices Against Brain Cancer, Inc. (the "Organization") is a New York non-profit corporation. The Organization's mission is to find a cure for brain cancer by advancing scientific research, increasing awareness within the medical community and supporting patients, their families and caregivers afflicted with this devastating disease.

The Organization is supported primarily through public support received from donations, grants and fundraising events. The Organization's support for the year ended December 31, 2013 came primarily from six fundraising events. The Organization fulfills its goals primarily through contributions to medical institutions doing research in the neuro-oncology field and support programs that the Organization runs throughout the country.

**2. Summary of Significant Accounting Policies**

**Presentation of Financial Statements** – The financial statements for the Organization are prepared in accordance with the provisions of the FASB Codification Topic 958-10, Not-for-Profit Entities. Under this topic, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted assets, and permanently restricted net assets. As permitted by the topic, the Organization does not use fund accounting.

**Accrual Basis** - The financial statements of the Organization have been prepared on the accrual basis of accounting and accordingly, reflect all significant receivables, payables and other liabilities.

**Cash and Cash Equivalents** – Cash and cash equivalents consist of all cash balances and highly liquid investments with a remaining maturity of three months or less when purchased and are carried at fair value. At December 31, 2013, the Organization did not hold any cash equivalents.

**Use of Estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

**Fair Value of Financial Instruments** – The Company's financial instruments include cash, receivables, and accounts payable and accrued expenses. The Company believes that the carrying amounts of these instruments are reasonable estimates of their fair value because of the short-term nature of such instruments.

**2. Summary of Significant Accounting Policies (Continued)**

Income Taxes – It has been determined by the Internal Revenue Service that the Organization is a publicly supported tax-exempt entity under Section 501(c)(3) of the Code. Contributions are tax deductible by donors under applicable Internal Revenue Code Sections. Accordingly, no provision for income taxes is required.

The Foundation has no unrecognized tax benefits at December 31, 2013. The Foundation's U.S. Federal and state income tax returns prior to fiscal years 2008, respectively, are closed and management continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax law and new authoritative rulings.

If applicable, the Foundation would recognize interest and penalties associated with tax matters as management and general expenses and include accrued interest and penalties with accrued expenses in the statement of financial position. There were no interest or penalties paid for the year ended December 31, 2013.

Classification of net assets and support - The Organization separately accounts for and reports donor-restricted and unrestricted donations and net assets. Unrestricted donations and net assets are not externally restricted for identified purposes by donors or grantors. Assets set aside by the Board of Trustees are not considered to be donor-restricted. Temporarily restricted donations and net assets are those whose use is temporarily limited by the donor. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported as net assets released from restrictions. If donor-imposed restrictions are met in the same period as the gift or investment income is received, the amount is reported as unrestricted revenues. Permanently restricted net assets have been restricted by donors to be maintained by the Organization in perpetuity. At December 31, 2013, no unrestricted net assets were set aside by the Board of Trustees.

Revenue recognition – The Organization's revenue is derived from donations, grants, sponsorships, and program revenues.

Contributions – The Organization has adopted FASB Codification Topic 958-605, Not-for-Profit Entities – Revenue Recognition to account for contributions received, and FASB Codification Topic 958-720, Not-for-Profit Entities – Other Expenses to account for contributions made. Contributions made are recorded as unrestricted, temporarily restricted or permanently restricted support depending on the existence or nature of any donor restrictions.

**2. Summary of Significant Accounting Policies (Continued)**

Contributions are recognized when the donor makes a donation that is in substance unconditional. For the years ended December 31, 2013, generally, all contributions are unrestricted and recorded when received. Contributions that are received in advance for a specific event will be deferred until the event occurs

Contributed Services - During the year ended December 31, 2013, the value of contributed services meeting the requirements for recognition in the financial statements was not material, and has not been recorded. These services do not meet the criteria for recognition as contributed services

Allocation of Expenses – The costs of providing the various programs and activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Property and Equipment - It is the Organization's policy to capitalize property and equipment over \$1,000. Lesser amounts are expensed. Purchased property and equipment is capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted

**3. Grants Payable**

The goal of the Organization's granting program is to support both research and non-research programs that advance the Organization's mission. Grants payable at December 31, 2013 represent unpaid amounts committed to by the Organization's research board.

**4. Grant Income**

Duke University Grant – Duke University has obtained a non-binding pledge agreement from an individual for a recurring annual grant to the Organization for brain cancer research. Under the agreement, the Organization could receive \$200,000 annually each year for the years 2011 through 2015 for a total of \$1,000,000. The grant is considered to be an exchange transaction. Accordingly, revenue is recognized when earned and expenses are recognized as incurred

**December 31, 2013**

**5. Concentration of Risk**

The Organizations maintains cash balances with two financial institutions, which, at times, may exceed federally insured amounts. The Organization believes that it is not exposed to any significant credit risk on cash and cash equivalents. Cash in excess of federally insured limits at December 31, 2013 amounted to \$878,582.

**6. Uncertain Tax Positions**

The Organization has adopted FASB ASC 740-10-25, Accounting for Uncertainty in Income Taxes. The Organization will record a liability for uncertain tax positions when it is more likely than not that a tax position would not be sustained if examined by the taxing authority. The Organization continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax law and new authoritative rulings.

The Organization's evaluation on December 31, 2013 revealed no uncertain tax positions that would have a material impact on the financial statements. The 2011 through 2013 tax years remain subject to examination by the IRS and State of New Jersey. The Organization does not believe that any reasonably possible changes will occur within the next twelve months that will have a material impact on the financial statements.

**7. Subsequent Events**

These financial statements considered subsequent events through July 15, 2014 the date the financial statements were available to be issued.
