Board of Trustees prior to filing.

Form 990, Part VI, Section B, Line 12c:

Explanation: On an annual basis the Nominating and Development Committee of the Loretto Board of Trustees requests all Trustees to complete a conflict of interest assessment. The assessments are returned to the Executive Office and reviewed for any potential conflicts. Should a conflict arise, Trustees are asked to recuse themselves from the deliberations and the decision making process regarding the transaction.

Additionally, all employees are required to attest annually to a corporate code of conduct which addresses conflict of interest issues.

Form 990, Part VI, Section B, Line 15:

Explanation: The Compensation and Benefits Committee of the Board of Trustees of Loretto (the Committee) is responsible for reviewing and approving proposed compensation and benefit arrangements for the President & CEO, officers and other key employees (Covered Persons).

In reviewing the reasonableness of proposed compensation and benefit arrangements for Covered Persons, the Committee considers a detailed description of the compensation/benefit arrangement recommended and the reasons for the recommendation, including external labor market data and comparability information for similarly situated persons at like organizations. Comparability information is obtained from independent sources (e.g., compensation/benefit consulting firm) and from research of publically available data (e.g., wage and benefit survey data). In April 2007, the compensation and benefit consulting firm The Hay Group presented

the Committee with a detailed analysis of compensation/benefit comparability for key executive positions at Loretto. In addition, during 2008, the Harbridge Consulting Group was engaged by the Committee to review the design and competitiveness of the Loretto Retirement Plan. Internal factors are also taken into account by the Committee as it reviews compensation and benefit recommendations. While an executive compensation study has not been conducted by an external consultant since the Hay and Harbridge studies, when making 2013 compensation decisions, management benchmarks competitive executive compensation levels using multiple industry compensation surveys. In addition, the compensation and benefits committee of the board approved only modest 2013 salary adjustments for existing covered persons.

The Committee documents decisions and the basis for decisions regarding compensation and benefit arrangements for Covered Persons in the form of minutes that are maintained for all meetings of the Committee. Covered Persons are excluded from deliberations regarding recommended compensation and benefit arrangements.
