A small group of Children's Hospital Medical Center of Akron (CHMCA) Trustees met early in 1971 to assess the long-term needs of the institution and those it served They foresaw an unprecedented period of change and growth ahead, caused by the burgeoning advances in medical science as well as the expanding multi-county area served by CHMCA They predicted that, to fulfill the health needs of the coming generation, CHMCA would have to undergo a drastic change, moving from primarily a community facility to a major regional medical center At the same time, they realized that this growth could not be financed from patient fees alone On June 3, 1971, they formally established the Akron Children's Hospital Foundation, a separate, not-for-profit corporation, to secure funds which would "add breath and depth to CHMCA's capabilities in health care, medical research and education " In 2013, \$6,051,071 Foundation funds were used by CHMCA to support its mission Of that amount, \$340,111 was used for capital purchases and \$2,174,000 was provided by the Foundation for CHMCA's program operating expenses at the Akron and Mahoning Valley locations that would not have otherwise been available through the annual budget Additional support also went for the following programs \$639,000 Hematology/Oncology, \$292,000 Adoption Center, \$254,000 Regional Burn Center, \$203,000 Community Youth Fitness, \$173,000 Global Health, \$159,000 Palliative Care, \$144,000 Psychiatry Intake Program, \$138,000 Reach Out and Read Program, and \$55,000 Autism Family Child Learning Center The remaining amount was used for research, training, education and support programs including Neonatal, Pediatrics, Child Advocacy, and other programs Since the Foundation's creation, it has provided the sources to purchase specialized lifesaving medical equipment which might not have otherwise been possible within the Hospital's budget limitations The Foundation has financed medical research into cause, prevention and treatment of complex childhood diseases and problems, and has provided community safety programs in professional education, patient information and youth development The net effect of these efforts has been to keep CHCMA at the forefront of healthcare, while minimizing the cost of such care to patients and their families

Part V, Line 4 - Intended Use for Endowment Funds	Temporarily restricted funds are subject to purpose restrictions imposed by the donor. Those funds are held until the specific purpose is met and then they are released from restrictions. Permanently restricted funds are funds that are invested in perpetuity and are not available to fund any current operations. The earnings from the endowment fund can be used for the specific purpose imposed by the donor. Board designated funds include funds from unrestricted sources that have been internally designed to function as endowments. These funds are to be used for the sole purpose as they were designed for. Akron Children's Hospital Foundation does have a policy in place to monitor all unrestricted, temporarily and permanently restricted funds.
Part X, Line 2 - FIN 48	Akron Children's Hospital Foundation is a subsidiary in the consolidated financial statements of Children's Hospital Medical Center of Akron ("CHMCA"). CHMCA adopted FIN 48 (ASC 740) in 2007. No disclosures were required under GAAP as CHMCA does not have any material tax consequences that required a liability to be disclosed in the financial statements.

Part VI, Line 7a - Election of Members and Their Rights	CHMCA is the parent company of Akron Children's Hospital Foundation and its governing body has the right to elect or appoint members of the organization's governing body
Part VI, Line 11b - Organization's Process to Review Form 990	The Form 990 is provided to the Audit Committee and Chairman of the Board of Directors of CHMCA for review and discussion prior to filing the return with the Internal Revenue Service. The Audit Committee is a Committee of the Board of Directors and empowered to complete the review on behalf of the Board of Directors.
Part VI, Line 12c - Enforcement of Conflicts Policy	The policies and procedures of Akron Children's Hospital Foundation are administered by CHMCA. It is CHMCA's policy that all employees disclose real or apparent conflicts of interest as a condition of employment. CHMCA also requires that each employee disclose in writing, annually, to the President a list of all businesses or other organizations in which he/she is an officer, member, owner, shareholder, trustee or employee for which he/she acts as an agent or might reasonably in the future enter into a relationship or transaction in which the employee could have a duality of interest. If a situation arises in which there is a duality of interest, or a question of duality of interest, and, as such, potential for a conflict of interest, it is the primary responsibility of the individual directly involved and responsibility of other personnel, to the extent that they become aware of a duality of interest, to make immediate and complete written disclosure to the appropriate Vice President. He/she will review the situation with the Vice President of Corporate Services who will present it to the President of his designee. It is the responsibility of the President or his designee to evaluate any circumstance in which a duality of interest exists, (if known, when disclosed or undisclosed), to determine whether the duality represents the potential for a conflict of interest, and whether such conflict is so substantial that it is deemed to be detrimental to CHMCA. Any employee who is directly or indirectly involved in a situation which represents a duality of interest, and as such, a potential conflict of interest, will abide by the following policies: 1. Individual will not be permitted access to any information which may provide an unfair advantage to that individual or the firm he/she represents. 2. Individual will be required to withdraw from any meeting in which the matter is discussed. 3. Individual will not be permitted to participate in deliberation or vote on the matter and will be required to leave the room during voting. 4. Any employee is expressly prohibited from releasing any "sensitive information" regarding a decision made or being considered to any person who may have a duality of interest, and as such, a potential conflict of interest. 5. Any attempt on the part of any employee to unfairly influence or impact the decision making process in favor of personal interest may be considered breach of trust and may be cause for removal from his/her position of responsibility or other disciplinary action up to and including discharge.
Part VI, Line 15a - Compensation Process for Top Official	CHMCA's executive total compensation program is governed by the Compensation Committee ("Committee") of the Board of Directors, who also determines the compensation of the Akron Children's Hospital Foundation officers, directors and key employees. Key Committee responsibilities include: - Ensure executive total compensation is appropriate in light of the CHMCA's mission and values, and - Approve an executive compensation philosophy, the associated programs, and all compensation actions for individual executives. The Committee is comprised of independent members of the Board of Directors who have no personal interest in any executive compensation transaction. - Should a potential conflict of interest be identified, the Committee determines the extent of the conflict and the means to address it. - In certain cases, a Committee member may be asked not to participate in discussions of, or vote on, a particular compensation transaction. The Committee governs CHMCA's executive total compensation for all senior executives who are deemed to be disqualified persons. The Committee also governs the total compensation of other disqualified persons, e.g., family members of board members or executives who are employed by CHMCA. The Committee follows all steps required by the Internal Revenue Service to qualify for the safe harbor under the Intermediate Sanctions regulations. The Committee: 1) Reviews compensation data for comparable positions at similar organizations which are compiled by an independent consultant it engages, 2) Uses this data to make executive decisions, and 3) Documents its compensation deliberations and decisions in a timely manner. The Committee reviews appropriate sections of CHMCA's IRS Form 990 before it is filed to ensure accuracy and completeness.
