- a- Applications should be addressed to: Ralph P. Sidore, Treasurer
Saul O Sidore Memorial Foundation
15 Gleneagle Drive
Bedford, New Hampshire 03110
Tel. 603-935-9445
- b- Applications may be submitted only in letter form, indicating clearly the type project being undertaken, the specific areas for which a specific amount of funding is requested, the benefit to be derived by the community(ies) involved and an idea of the time frame during which the project is expected to be undertaken and completed. In addition, the Foundation requires a clear statement from applicants of the percentage of solicited donations that is used to support the cost of the solicitation and/or any related administrative costs. No telephone calls are accepted.
- c- Applications may be submitted at any time, however the trustees tend to meet once or, at most, twice a year, once in May or June, and again in November or December.
- d- The Foundation does not make grants to individuals for scholarships, fellowships, etc. The Foundation does make grants only to charitable non-profit organizations or to educational, cultural or governmental institutions. The majority of the Foundation's grants goes to fund the Saul O Sidore Lecture Series at the four main campuses of the University System of New Hampshire, and to public libraries in New Hampshire. Individual projects will be reviewed, but the Trustees have generally provided funding, within the limited budget available, for proposals relating to children "at risk", children "in need", general cultural, charitable and educational interests and athletic education. In addition, the Foundation makes grants, in memory of Rebecca Lee Spitz, to New Hampshire municipal libraries and non-profit organizations with similar or related functions, for limited projects to enhance their services to their clientele. In general, the Foundation will not participate in funding drives, or in supporting general operating requirements; its interest lie in providing all or some of the seed-money necessary, on a one-time basis, to get projects or activities started, without additional funding commitments being required. The Foundation's geographic interests are restricted generally to the States of New Hampshire and Massachusetts, with emphasis on the North Country of New Hampshire.
