Uncertain Tax Positions under ASC 450	Schedule D, Part X, line 2 The Foundation evaluates its uncertain tax positions using the provisions of ASC 450, contingencies. Accordingly, a loss contingency is recognized when it is probable that a liability has been incurred as of the date of the financial statements and the amount of the loss can be reasonably estimated. The amount recognized is subject to estimate and management judgment with respect to the likely outcome of each uncertain tax position. The amount that is ultimately sustained for an individual uncertain tax position or for all uncertain tax positions in the aggregate could differ from the amount recognized. In consideration of these factors, for the year ended December, 31, 2013, the Foundation has no material net unrelated business income. Accordingly, no provision for income taxes has been provided in the accompanying financial statements. The foundation is not recognized as a private foundation. The Foundation's Form 990, Return of Organization Exempt from income tax, for the year end 2013, 2012, 2011 are subject to examination by the internal Revenue Service (IRS), generally for three years after they were filed.
