Textron Matching Gift Guidelines

Textron is committed to responsible corporate citizenship and helping improve the quality of life in communities where our employees live and work. We view our public responsibility as an integral part of our business and actively seek out partnerships with agencies that develop and implement innovative solutions to community needs. The Textron Matching Gift Program provides an opportunity to join with employees in supporting this commitment. The Textron Charitable Trust provides funding for the program.

Eligible Participants

Any full-time employee or member of the Board of Directors of Textron is eligible to participate. Part-time, temporary and retired employees are not eligible. Neither gifts from spouses and other family members, nor gifts made jointly by several individuals are eligible for matching funds.

How the Program Works

Textron will match paid contributions between \$25 USD and \$7500 USD per individual, per calendar year, to eligible institutions at a 1:1 ratio, for a maximum Textron contribution of \$7500. An individual may attain their \$7500 limit by giving a one-time \$7500 contribution or by making several smaller gifts. Gifts must be made directly from the employee's/director's own funds to approved eligible organizations.

Contributions must be paid by cash, check or negotiable securities that have a publicly listed market value. The value of securities will be determined based upon the closing market price on the date of the gift. No other form of personal or real property, gifts in-kind, materials, gifts made by will or similar mechanisms or supplies will be matched. Matching gift requests must be registered within 90 days of the date of the gift. Contributions made on or before December 31 will be credited to an individual's limit for that calendar year. All contributions are checked against these guidelines.

Non- U.S. Matching Gifts

Gifts made in non-U.S. countries must be equivalent to a minimum of \$25 USD. All non-U.S. matching gift payments will be paid to the charity in the local currency of the country the charitable organization is located.

Eligible Organizations

U.S. Organizations

Organizations eligible to receive Textron matching gifts include institutions located in the United States that are recognized by the Internal Revenue Service (IRS) as tax-exempt and designated a public charity under Section 501(c)(3) of the IRS Code

Non- U.S. Organizations

Eligibility guidelines for non U S. organizations follow the U.S. guidelines. In addition, all non U S. organizations must be validated to ensure they comply with all U S. IRS regulations and laws. Non-U S. organizations will be required to complete validations forms in English and return them to Textron's matching gift administrator.

Matching gift payments will be made after Textron receives the completed validation forms proving that the non-U.S. organization is equivalent to a 501(c)(3) U.S. charitable organization (*This process may take an extended penod of time depending on the chanty's timeliness and desire to complete and provide the necessary information for the validation process*)
