Specialty Care, such as Cardiology, Orthopedics, Geriatrics, Endocrinology, Neurology and General Surgery, are provided in various locations. In 2013, Roper St Francis Physician Partners contributed \$11,979,000 in community benefit. Return Reference	Explanation
Part I, Line 4b	The Vice Presidents, CFO, and CEO participate in the 457(f) Plan. The vesting period changed from 3 to 5 years in 2013, so not all Vice Presidents received payouts in 2013. The following participants received compensation through a 457(f) Plan: H. Douglas Harrison - 14,400 (from a related organization), Bret Johnson - 77,448 (from a related organization), David Dunlap - 65,893 (from a related organization).
Part I, Line 6	Goals are developed each year to support the organization's strategic initiatives for people, quality, financial, growth and service. The Ad Hoc Compensation Committee approves the system goals annually and reports to the full Board of Directors. Progress on each metric is reported to the board each month on the corporate scorecard. At year end, the Ad Hoc Compensation Committee approves the final scorecard number and reports results to the full board. Annual incentives for the executives are based on 60% on the corporate scorecard and 40% on individual performance. Executives maintain an individual scorecard on the leader evaluation manager and discuss results monthly with the President/CEO. The President/CEO approves the individual executive scorecard. System Vice Presidents and the system CEO are eligible to participate in a long term incentive plan (LTIP). An LTIP typically takes place over a three year period and does not vest until the end of the third year. To receive payment, executives must still be employed by the system at the end of the plan period. Each LTIP has a financial and clinical objective that is aligned with the organization's strategic goals. Threshold, target, and maximum performance ranges are established for these objectives and are measured based on performance against similar organizations or compared to an internal metric such as an improvement over prior performance. These targets and objectives are approved by the Ad Hoc Compensation Committee. The incentive is earned based on the satisfaction of the threshold, target, or maximum performance ranges. The Ad Hoc Compensation Committee also approves the final LTIP performance score and the amount paid to executives under the plan. Results are reported to the full board annually.
Part I, Line 7	See response to line 6 above.
Part II, Line 1 Compensation from unrelated organizations	Carolinas Healthcare System provides the compensation of David L. Dunlap, CEO, CareAlliance Health Services and Bret D. Johnson, CFO, CareAlliance Health Services. Mr. Dunlap and Mr. Johnson are employees of Carolinas Healthcare System and their compensation is paid by CareAlliance Healthcare Services, a related organization, through a management fee to Carolinas Healthcare System. Additional information: CareAlliance Health Services has board representations from the 3 founding organizations: The Medical Society of SC (6 board members), Bon-Secours Health System, Inc. (6 board members), and Carolinas Healthcare System (1 board member). None of the 13 appointed board members receive compensation for their membership. Additionally, 4 of the 6 board members appointed by the Medical Society of South Carolina also serve on the Board of the Medical Society. None receive compensation for their services as a board member. It is the founding members' intent that the members of the Board of Directors are appointed to such positions because they have a willingness to serve the needs of the system as a whole and not the needs of any individual founding member.

Subject to certain nominating and governance committee approvals, six directors are appointed by the Medical Society of South Carolina (MSSC), Bon Secours Health Systems, Inc (BSHSI) and one director is appointed by Carolinas Healthcare Systems (CHS). It is the founding members' intent that the members of the organization's Board of Directors are appointed to such positions because they have a willingness to serve the needs of the system as a whole and not the needs of any individual founding member.

Form 990, Part VI, Section A, line 7b	<p>The following actions shall require the unanimous affirmative approval of all of the founding members (a) to amend the Articles of Incorporation or by-laws, including without limitation, any change in the corporation's purposes, provided, however, that, subject to the procedures and voting requirements with respect to the admission of non-founding members, Schedule 3.1 may be amended with the approval of two (2) of the founding members to reflect the admission of a non-founding member, (b) to dissolve or liquidate the corporation and to determine the distribution of assets upon dissolution, (c) to merge or consolidate the corporation or to sell, convey, transfer, lease, or otherwise dispose of all or substantially all of its assets, (d) to appoint the President and Chief Executive Officer of the corporation in a manner other than that established within the by-laws, (e) to alter or amend the corporation's ethical performance standards (defined below), or (f) to enter into any material agreement whereby a third party will (i) become an equity owner in any joint venture with the corporation or any system participant and will not be legally obligated to support the corporation's ethical performance standards, or (ii) manage a substantial part of the facilities, assets, or operations of the system and will not be legally obligated to comply with and support the corporation's ethical performance standards</p>

Return Reference	Explanation
Form 990, Part VI, Section B, line 11	The 2013 Form 990 was prepared by an independent accounting firm with assistance and oversight by management. Reviews were then conducted by senior management before drafts were sent to each member of the organization's governing body. A transmittal letter accompanied the drafts and provided highlights of the Form 990 to the organization's Board of Directors. After the governing body approved the Form 990 draft, a final version was filed with the Internal Revenue Service.

Form 990, Part VI, Section B, line 12c	The directors shall complete and return to the secretary an annual statement that each (a) has received a copy of the conflict of interest policy, (b) has read and understands the policy, (c) agrees to comply with this policy, (d) understands that the policy applies to all committees, and (e) understands that the organization is a charitable organization and must continuously engage primarily in activities which accomplish one or more of its tax-exempt purposes

Return Reference	Explanation
Form 990, Part VI, Section B, line 15	<p>An independent company, Towers Watson, provides research, advice and guidance to the compensation committee and senior leadership to ensure the organization's compensation programs for executives covered by the "Intermediate Sanctions Legislation" (IRC Section 4958) are aligned with its stated philosophy. Base salaries are targeted at the 50th percentile of the established comparator market, Total cash compensation (base salary plus annual incentive payments) are targeted at the 75th percentile of the established comparator market, Total direct compensation (total cash compensation plus long term incentive payments) will not exceed the 90th percentile of the established comparator market, Benefits are targeted at market median, and in aggregate, base salary, total cash compensation, total direct compensation and benefits comprise total compensation for executives. The compensation committee ensures that executive total compensation is reflective of the organization's stated compensation philosophy. The committee, in this process, authorizes and supports an annual three step process utilizing Towers Watson's resources:</p> <ol style="list-style-type: none"> 1) Salary levels, annual bonus targets/payments and long term incentive grants are compared rigorously each year with market data based on comparable positions and organizations. A. Comparable organizations are typically not-for-profit healthcare systems with similar operating revenues. Private sector employer data, when available, are also included in the analysis for "transferable skills positions". B. Historically, performance incentive payouts generally track with a normal bonus payout distribution. Incentive goals are primarily based on formally defined quantitative goals approved by the ad hoc Compensation Committee of the RSFH Board of Directors. 2) All recommended pay decisions are tested against these data and the organization's stated compensation philosophy. 3) A formal opinion letter is prepared by Towers Watson, representing that senior executives are compensated within the reasonableness standards mandated by the IRS. A similar process is performed by Towers Watson for the CEO and CFO positions. This letter provides a "safe harbor" for the organization's "directors" relative to the reasonableness of total executive compensation consistent with IRC Section 4958.
