Form 990, Part III, Section 4A, Grants to Shiloh Christian School - Shiloh Christian School is

a Christian school that was founded in approximately 1977 and has had 501(c)(3) status since

that point in time. The school is non-denominational and provides Christian education for

children for grades kindergarten through 12th grade. Tuition is paid by many students but

others based on financial need receive tuition assistance. In addition, the school raises

funds for both day to day needs and for long-term needs. Some supporters of the school prefer

not to have funds spent on day to day basis but instead put in a foundation type of basis. The

larger efforts of the schools and its patrons is made to provide the day to day needs of the

school but the Friends of Shiloh organization was organized in November of 2008 to facilitate

those people who wanted to provide for long-term funding

Form 990, Part IX, Section 24a, To date the fund's total of assets are \$966,465.00. In the

year of 2013 funds were distributed to the school in the amount of \$67,280.00. Those funds

were made up out of both earnings and contributions to the fund and were used solely for

operational activities of the school and its employees on a day to day basis. No amounts used

would violate any 501(c)(3) status of either organization.
