Part IX-A	Summary of Direct Charitable Activities
List the foundation's four largest direct charitable activities during the tax year. Include relevant statistical information such as the number of organizations and other beneficiaries served, conferences convened, research papers produced, etc.	
1	Early Learning Venture Fund. This is a shared services infrastructure for the early childhood education sector to promote effective governance, high standards of program quality, professional competence, operational efficiency, as well as financial sustainability. The objective is to strengthen overall business operations, and allow the child care providers to spend more time in the classroom. ELV provides support and oversight to its partners while continuing to research and develop the model and policies. This effort involves ELV staff providing technical assistance, business planning, and resource development. ELV is currently serving the Denver Metro Area, Summit County, Garfield County, Eagle County, Pitkin County, Mesa County, Telluride and surrounding counties, and the San Luis Valley.
2	Healthy Options for Preschoolers. ELV is promoting and expanding access to healthy meals and snacks for preschool aged children who are enrolled in a child care program that is part of the ELV Alliance. Through its partnership with the Colorado Health Foundation, ELV plans to increase the number of children who eat adequate amounts of fruits and vegetables daily and increase the number of children who receive healthy meals in the center and home-base child care settings. During the three-year pilot phase, healthy meals and snacks will be provided to more than 3,500 children.
3	ELV created a customized web-based information management system for the Early Learning Ventures Alliance model. The Child Management System includes educational performance and accountability data management software, professional development supports, and financial management functionality.
