First Program Service Accomplishments Description**Description**

Apple Campaign where people donate funds to the foundation at participating local businesses. Funds that are directed to a particular school are transferred to that school's site funds for distribution by the principal. For Grant Fund grants, teachers submit an application, and a grant review committee awards grants based on how well a project broadens a student's educational experience, supports instructional activities, helps the greatest number of students, and expands educational opportunities. Grants funded over the past several years included purchasing books to increase literacy, expanding classroom technology and funding other important educational programs and field trips. The annual district wide classroom and school grant program awards classroom teachers and staff funding to enrich educational opportunities for students, and deliver innovative and exemplary instruction. Hundreds of students within the Bethel School District have benefited from opportunities and instruction provided by the grants.
