Form 990, Part III, Line 4a - Program Service Accomplishments

Supportive Housing Programs

The Organization's Supportive Housing Programs target the most vulnerable people who
need housing and service supports to remain in stable housing and live healthy lives.

In addition to individuals experiencing chronic homelessness, this includes people
who are inappropriately placed in institutional care settings, such as nursing homes
and state hospitals, due to a lack of affordable housing options and/or inadequate
community-based care. Integrated models of supportive housing and health services,
which have been proven effective in improving housing and health outcomes for this
population, share a common set of guiding principles and dimensions of quality.

Supportive housing is affordable rental housing with no artificial time limits on
residency. Rent is adequately subsidized such that extremely low-income tenants can
pay no more than thirty-percent of their gross monthly income for rent.

Supportive housing provides individuals access to immediate, permanent, quality
affordable housing in their own apartments or homes without any preconditions or
requirements for sobriety or treatment compliance to maintain housing. Residents of
supportive housing hold their own leases and have the same rights and
responsibilities as any other resident. Programs assertively engage residents and
offer services to maximize housing stability, including regular communication with
property managers, advocacy on behalf of residents and mediation of conflicts with
landlords.

Individuals in supportive housing have access to a comprehensive array of flexible

services including housing stability supports, income and benefits support, coordinated health and behavioral health services, twenty-four hour crisis intervention, employment services, diet/nutrition counselors, and recovery/wellness peer support specialists. Services are provided as needed to ensure successful residency and to support recovery and engagement in community life. Programs facilitate full integration into the community by providing direct assistance to tenants around employment, volunteer work, social activities and tenant-led community building activities.

Form 990, Part III, Line 4d - Other Program Services Description**Other Programs**

The Capital Region Employment Connect is a unique hiring event aimed at linking job ready participants from local homeless programs to Sacramento's top industries. The goal of this event is to help end homelessness in our region by solidifying long-term connections between employers and the programs that prepare homeless households to overcome challenges and barriers in entering the workforce.

The Regional Homeless Connect is a one-day, one-stop resource fair for people experiencing homelessness, with an emphasis on hospitality and an overarching goal to bring the community together to help end homelessness. Over fifty different service providers join Sacramento Steps Forward to offer a myriad of services, including housing, legal assistance, health, identification cards, haircuts and foot washing, employment services, clothing closets and more.
