	DirectEmployers Association, Inc (DirectEmployers) offers ongoing member engagement opportunities for employers and their staff to meet and strategies with peers, survey members, learn more about recruitment and technology, stay connected via email updates, participate on committees and access discounts and special offers. This includes developing and providing products that ensure job syndication and distribution, compliance, reemployment of displaced workers, metrics reporting, search engine optimization and relationship building with State and niche sites DirectEmployers has created and maintains JobCentral National Labor Exchange Technology, an alternative to commercial job boards, to increase labor market efficiency and decrease recruiting costs while generating job opportunities for displaced employees. In March 2007 DirectEmployers teamed with The National Association of State Workforce Agencies (NASWA) to provide job seekers, employers and states a cost-effective transition from America's Job Bank (AJB) as the AJB was discontinued in June, 2007 by the U S Department of Labor JobCentral provides a wide range of employment services to participating state workforce agencies, from job listing distribution to and from state employment web sites to participation in the national labor exchange with other states The Vietnam Era Veterans' Readjustment Assistance Act of 1977 as amended by the Jobs for Veterans Act of 2002 (JVA), requires covered federal contractors and subcontractors to list their employment openings with "an appropriate employment service delivery system". In support of these laws and since AJB is no longer a job-posting option for compliance, DirectEmployers again partnered with NASWA, military partnerships and other industry experts to design, develop and implement VetCentral in order to deliver jobs to veterans. DirectEmployer member jobs are indexed directly from their corporate career sites and made available to veterans through VetCentral, providing participating members with uninterrupted compliance according to JVA and consistent with the Office of Federal Contract Compliance Program regulations. VetCentral is fully integrated into DirectEmployers JobCentral National Labor Exchange, acting as a distribution point for federal contractors. Thereby, member jobs are sent to the appropriate employment service delivery system and records are maintained for each transaction. DirectEmployers' JobCentral Military Network has become the model for helping our nation's veterans find quality jobs. DirectEmployers in association with NASWA has created and implemented the Rapid Reemployment Initiative. This is a service designed to connect downsizing employers with hiring employers to create a system that offers job matching to displaced workers at no cost. DirectEmployers has created Direct Board Technology which is a hybrid job search engine platform with job posting and resume database capability created for association and niche board sites, with career sections, to cut vendor and maintenance fees. In turn, sites can decrease their cost and become more competitive, creating a low-cost option for all employers to engage and hire from targeted communities.
