Want to maximize your tax deductions and save for retirement at the same time? Consider opening a tax-qualified Individual Retirement Account (IRA) before April 15, 2014. You may be able to deduct contributions to the IRA on your 2013 income tax returns, subject to certain rules and limits. It is always a good idea to check in with your tax advisor on tax-related matters, but a contribution made before the deadline could lower your taxes and increase your retirement savings - a potential win-win.
