largest amount of tax benefit that is greater than 50% likely of being realized upon settlement with a taxing authority that has full knowledge of all relevant information. The tax positions must meet the more-likely-than-not recognition threshold with consideration given to the amounts and probabilities of the outcomes that could be realized upon settlement using the facts, circumstances and information at the reporting date.

The Foundation will reflect only the portion of the tax benefit that will be sustained upon resolution of the position and applicable interest on the portion of the tax benefit not recognized. Based upon management's assessment, there are no uncertain tax positions expected to have a material impact on the Foundation's consolidated financial statements.

The Foundation is no longer subject to U.S federal and state tax examinations by tax authorities for years before 2010. The Foundation's federal and state tax returns are not currently under examination. The Foundation recognizes interest and penalties related to unrecognized tax benefits in income tax expense. During the years ended December 11, 2013 and 2012, the Foundation did not recognize any interest or penalties. The Foundation did not have any interest or penalties accrued at December 31, 2013 or 2012.
