Footnote for uncertain tax position under FIN 48 (Part X)	CAM has adopted accounting principles related to accounting for uncertainty in income taxes. CAM's policy is to record a liability for any tax position taken that is beneficial to CAM, including any related interest and penalties, when it is more likely than not the position taken by management with respect to a transaction or class of transactions will be overturned by a taxing authority upon examination. Penalties and interest related to underpayment of income taxes are not recorded as income taxes but as penalties and interest expense. Management believes there are no such positions as of year-end and, accordingly, no liability has been accrued.

Return Reference	Explanation
Monitoring procedures (Part I, line 2)	Grants or funds made available by CAM to other organizations in the United States are provided for specific projects which have been pre-approved by CAM. Periodic meetings are held, monitoring mechanisms are put in place, and correspondence is conducted with recipient organizations to assure proper accountability, maintain CAM's comfort level with the programs and projects being funded, and to minimize risk of fund deviation. In some cases visits to the project site by CAM staff or more lengthy on-site staff placements are conducted for additional monitoring and accountability of projects.
