New Treasury regulations require that we report your adjusted cost basis and classify the gain or loss as either long-term or short-term on the sale of covered securities acquired on or after January 1, 2011. These regulations also require that we make basis adjustments due to wash sales, certain corporate actions and transfers by gift or inheritance, which will be reflected on your Form 1099-B. This section may not reflect all of the basis adjustments we are required to make for tax reporting purposes. The information in this section is provided for informational purposes only and should not be used in the preparation of your income tax returns. Please refer to the Expanded Disclosures for additional information.

Notice Regarding the Order Protection Rule

The following is being provided to you pursuant to FINRA Rule 5320, the Order Protection Rule, a copy of which can be obtained at www.finra.org. Consistent with the exceptions permitted under FINRA Rule 5320, we and our trade routing destinations may trade principal at prices that would satisfy your equity trading order through our and their use of internal controls, such as information barriers, that operate to prevent a trading unit that handles principal positions from obtaining knowledge of customer orders handled by a separate trading unit. With respect to certain "Not Held" large orders (orders for more than 10,000 shares and \$100,000), the same internal controls may not be available. For these orders you may instruct us that you do not wish us or our routing destinations to trade principally along side your order. Such instruction will limit the range of execution on alternatives that we are able to offer. Additional information regarding the handling of your equity orders and our business practices in relation to the Order Protection Rule is available online at: www.morganstanleyindividual.com/customer/service/disclosures/.
