Couples programs - Includes a one day workshop in Spanish that teaches communication skills and problem solving techniques. Examines the level of commitment of the couple and helps them recognize patterns and traits that they received in their upbringing and how they affect their relationship. Clarifies ideas and misconceptions about their sexuality. Outcomes for this program were 95% reported improved communication skills, 88% reported increased commitment to the relationship, 92% reported improved skills for managing anger and frustration. These outcomes were measured by pre-evaluations, post-evaluations and follow-up interviews. On 2013, we prepared 10 of these workshops with a total of 278 participants. After every workshop support groups were established and led by a couple of trained volunteers. The "Plenitud Matrimonial" workshop is usually prepared for couples that had already attended the "Taller de Parejas" workshop and had completed the support group. This program teaches specific communication techniques, works one-on-one with participants on problem-solving techniques and helps build intimacy. On 2013 this program was not prepared but it continues to be an active program for us. We plan to prepare one of these workshops again in 2014. Our couples' programs received \$1,675 in in-kind use of facilities and 3,816 donated volunteer hours.
- 4b** (Code:) (Expenses \$ 55,564 including grants of \$ 0) (Revenue \$ 27,585)
We have several parenting programs. The first one is "Escuela Para Padres". This program consists of a series of classes that provide Latino parents with the necessary skills to make their job as parents easier and give ideas on how to better fulfill their role. The program discusses the role of their native culture and upbringing in how they perceive their kids and their parenting style. Stresses the importance of recognizing kids as people that deserve respect and attention. Program explains ways to help kids to see themselves as valuable, promoting the development of a positive self-image. Establishes the importance of having clearly defined values and the most effective way to implementing discipline and control without verbal or physical violence. The second initiative is the "Strengthening Families" program. This is a nationally and internationally recognized parenting and family strengthening program. This evidence-based family skills training program has been found to significantly reduce problem behaviors, delinquency, and alcohol and drug abuse in children and to improve social competencies and school performance. Child maltreatment also decreases as parents strengthen bonds with their children and learn more effective parenting skills. It is offered to kids ages 10 to 14 and their parents. It consists of parenting skills, children's life skills, and family skills training courses. (Continued on Schedule O, Statement 2)
- 4c** (Code:) (Expenses \$ 23,772 including grants of \$ 240) (Revenue \$ 10,581)

The program also helps them adapt to the reality of living in a dual-culture. They receive skills to improve their communication with their parents and develop positive leadership traits. A session is prepared for the teens' parents so that they are prepared to establish a better communication with their teens and they know where to look for help if they need assistance with family relationship issues. All activities are prepared and presented by Latino teens and young adults. Peer mentorship opportunities and counseling referrals are available. On 2013, we prepared 4 workshops with 256 teens in attendance. 512 people participated from the parents' program. We also prepared leadership seminars so that the teens that we interested could gain new skills and leadership abilities. We supported the kids that attended the leadership seminars so that they could start volunteering in our program, their school, church and or community. By making sure that they put to work their newly gain talents, we encourage (Continued on Schedule O, Statement 3)

Form 990, Part VI, Section B, Line 15 - Ser Familia uses the IRS three-step safe-harbor procedure for establishing a rebuttable presumption that its executive's compensation is reasonable. At the moment our only executive employee is our executive director.
