Schedule D, Part V, Line 4	The endowment funds are used to provide scholarships, as part of the Foundation's mission to enhance the industry's service to the public through education, promotion of career opportunities and community engagement
Schedule D, Part X, Line 2	The accounting standard on Accounting for Uncertainty in Income Taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under this guidance, the Foundation may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities, based on the technical merits of the position. Examples of tax positions include the tax-exempt status of the Foundation and various positions related to the potential sources of unrelated business taxable income. There were no unrecognized tax benefits identified or recorded as liabilities during the reporting periods covered by these financial statements. The Foundation files Form 990 in the U S federal jurisdiction and a related return in the State of Illinois. Tax returns filed by the Foundation generally are subject to examination by U S and state taxing authorities for years after 2009.
